

after Easter. It may be a little cool here for your short coat, but you can bring it along.

The weather is beginning to get nice here, so we hope to get busy selling when it does. Right now it seems that we are making time. I am enclosing this news paper picture that I clipped from the paper. It was taken on Feb. 15th at the Negro History Week Tea. The picture is not very good, but I thought that you would enjoy seeing the dress. You remember I showed you the dress when I was there.

I called Mrs Jones this morning and told her about Hughly Clark passing. I am glad that Chet is getting better. Well I had ~~so~~ intended to write more, but Herman is saying lets go home and eat, so I will have to stop writing. Lots of love to you and all the family.

Lovingly your daughter
Lorretta
