

tell every body high and ill
be seeing them as soon as
I can they say it isn't the best
to rush to fact every body is
so busy here and hate to ask
any body to write for me
but I believe I can write some
myself I think it is more
steady than it has been for
a long time I hope these
few lines find you & all
feeling fine write and tell
all the news

Yours Brother
Little Willie Garland

Write soon
