

I had a letter from Cousin Hattie thanking us for the Xmas gifts and the calendar. I also received a long letter from Cousin Nellie thanking me for her calendar. She wrote all the Bonner Springs news and gossip. She sent me a number of clippings from K. C. Star about Verle Switzer. She did not know him, but she knew that I would know him. Anna Frazier sent us a thank you note for our remembering to send a calendar to her. This morning I received a letter from Reba Pleasant of Philly and also a letter from Eula. Eula said that she had had letters from Bernice + Marie. She also said that Mr. Houston was better and that ^{he} is at home now.
