Dear Rose:

Well how are you?
I am well and truly
hope you are the same.
What are you doing to
pass away these hot
days? I am doing as
little as possible. I am
sorry I waited so long
to answer but I just
could help it. I am
so slow to answer my
letters.

Say kid did you
know that Agnes was
married? She got married
Wednesday. And she
married James Thomas.
