

Who was that you said didn't
live very far from Ruth's. In
my next letter I will send my
picture, I would send this time
but I haven't had it developed
yet. Now dear I am closing
and I am hoping the near
future will give me pleasure
in seeing you very soon.

Sincerely yours,

P.S. Dear your letters
are getting sweeter
and sweeter to me.

While I was writing this
I was feeling very blue
thinking of you dear.
