

longest race I ran last spring was a
quarter-of-a-mile race and it was plenty hard.
But if you were only here it would be
a great deal easier.

Listen sweetheart you don't really
know how it makes me feel when ^{you} told
me that you loved me of course I had
an idea you did all the time, but you
know how it is when you come out
and say so. Then again it made me
feel bad to think about all the time
I had lost trying to get up to
the point when I could really tell
you that I loved you. but never
mind I will be seeing you later on
and I will make up for last time.

Well dear I guess I had better
close now, but be sure and not forget
the snapshot, for I am dying to see it.

ans. soon
