

BOND STREET

to get down to business and study to get on the honor roll, because I had 2 a's & 2 b's, and one (c) for the semester. so I knew if I would study I could be on the honor roll; but nevertheless I was not out of school but one day and I started in school the following Monday. But at that it was kinda hard to settle down and study again.

I will send you one copy of our school paper it has a picture of the building and it gives more details about the fire than I could give. Your ring is O. K. I think I will close now with lots of love. I have so many kisses ~~filed~~ piled up that if I stay out there five years I couldn't get even. (smiles!)

Sincerely yours
Marilyn
