Miss Rose Alexander
Dearest Rose:

I was very glad to receive your last letter, and I know you have been wondering why I haven't answered sooner, I haven't any real reason only that I have been putting it off.

I was down to K.C.K. about Month ago and I saw Leota, and Ponnetta, and your aunt; Our team went there to play Summer of K.C., and after the game a boy said that they were giving a party for us, so he took us over to your aunt's house; but when we got there we found out that it wasn't for us but for M. Schmitt, but after Leota saw that I was in the bunch she wanted us to stay and all the boys had a swell time. There sure was a swell bunch of kids there.

I sure wish you were here to take in some of the games and parties we have. I started out for track this morning, and from now on I will have to do some tough training.

Did the girls team in Bourgo win the tournament you spoke of in your last letter. Tell Ponnetta I wished we had a center on our team like her (smile)

Well Rose I think I will be closing but excuse the stationery
