

Field Day

On May 1, 1911 Mr. and Mrs. W. O. Sturgeon gave to the people of this community 160 acres of land which is known as the Western Kansas Industrial Training School. Much has been accomplished and several have benefitted in the past. With soil conservation and the late methods of farming much more will be accomplished in the future.

The board, Ralph Scroggins, president, J. R. Mort Secretary and treasurer, both of Hill City and J. D. Wilson, farm manager of the Western Kansas Industrial Training School held a field day at the farm on Saturday, Sept. 22 and cleared the Spring Creek channel of deposited debris and a thick growth of.
