Dear Warren & Marie: -

A lot of my back trying to walk. Not doing well. Just sorry that I can't hear from you often. You surely do not realize how I feel. I am about to make up my mind to go back to the hospital for an operation. Am not able to be up more than a few minutes.

I don't know what would become of me if Harry were not so nice. He is now cleaning my room and trying to make me comfortable.

Had a plenty of Xmas dinner from the neighbours. Mrs Mansfield looks after me when Harry is out. Louise is away a good deal when Bro. is out.

Let us hear from you. There are a lot of things I ~~now~~ would like to tell you before I go to the hospital. But everything will be O.K. I hope. Pray for me.

Loungley

Mam.
