

right away before he  
comes back here to the  
hospital, maybe they  
will have time to  
write it up, but I  
suspect they are  
pretty busy, getting  
his business in  
shape, so he can go away  
for a while.

There isn't any news  
much, that I know of.  
Norval was by to see  
us a short time, not  
long ago and Johnnie  
called up since, then.  
Write soon love to all.

Yours mother
