My Dear Cousin,  
Remember me when this  
you see you may see this  
And not see me.  
But if the grave shall  
Be my bed Remember  
me when I am dead.  
Your Cousin

Dear Sister  
I don't know how  
to empty my chest for them  
out the things that give its  
cheer I shall always remember  
you and I hope you will  
remember me.

Your Sister  
Blanche
