Dear Cousin Ola -  
These few lines which here  
I trace, time may not  
change nor age of face,  
they maybe read but valued  
not when she who penned  
this is forgot but when in  
after years you look in  
meditation on this book, who  
will this thoughtless girl be  
who wrote this verse to-day  
for thee

Your Cousin  
Lida.
