1962

Property of

From Marie E. White

To Rogue Kansas

Jan - 1962

1 Nice day - Sun - around 40 or 50
got up late - Warren fed cattle
got mail - I worked with New
Year Dinner - chicken ham
preserves & trimmings - guest
Earl & Anita first - Bernice & Harry
Buddie & family. Ora 5, late
watch - all went home early -
we watch T.V.

2 - Another nice day - ^{near 50°} Company
Buddie first - Jo & Evelyn came to
tell us of their trip home - Memphis Tenn
& then Bernice & Harry. We visited
until 2:00 - Warren & I went to Hill
City bought 3 license tags \$41.40 - car
tag no 194 - First time we ever

fought our tag 2 Jan - gave
the Smith's eggs + steak for Xmas
gift. The boys a dart game
hope they like it - I would.

Oh yes - we also got up our
fishing + hunting license
around 7:00 I called Mrs
Letha Clark Lawrence as our
Grand worthy matron, to
ask her if I was wrong to act
as matron all of 1961 - she told
me that I was right - Thank
goodness - I hate to do any
body wrong.

Jan 3 - Temperature around 63°
Nice - just like summer. Warren
+ Boddie went to Couker to

see what E.C. Riley wanted - some
deal - Sure hope it does not fork
fire - He is a nice guy - I picked
& put all day - House looks
better - needs a lot more cleaning
no mail - Ora - Benard Bate are
here to nite working on township
books.

4 Temp around 50 - calm & nice to start
with after noon high winds from the
north - The forecast is for light snow -
Warren, Jr & Smoke B. loaded 8 head of
stock Warren took them to Stockton
got a fair price - I ~~was~~ ~~moned~~ - Bernie
& Ora went to Selma to Sub write
funeral - Rev Stephens was here to
talk church affairs - Harry B. was

4 \square Buddie & Gil - Smoke & his
little girl came tonight 3 doz
eggs - 35¢ a doz -

5 Friday - Cold - windy sun - usual
day - Bernice & Harry were here
trying to get their lodge affairs
straight. Bud Napue died out in
Los Angeles Calif his funeral will be
here Tue Jan 9. Warren went to
Hill City 1:30 on a meeting of
measuring ground he is to go to
work Monday morning. I sewed
kind of a cozy like day. The wind
went down this evening - Warren
& I went down to Garol & Letta
for a while

6 Cold - a little snow about noon - we hauled
two load of feed from Harrys - tractor & trailer &
old truck Seland help Warren load some - as
we went to Hill City later it mist a little - We
went to Darnav to pay Clark Reece - we didn't
know we owed him - He helped Garol fix
the windows & a screen on our house after
the storm the 19 July 1961 - Warren has to
go to Bernice for Lodge meeting to nite -
Getting ready for the turn out Tue. for
Coz Bud funeral, & also it is tonk nite
This has been such a fast week - had
a letter from Lea to day saying Uncle
Will isn't doing too good - I hope to run
down to K.C. Tonk club was nice, every
body seem to have a nice time
we exchanged gifts, ~~A~~ People

went home about 4:30

7 got up late. The preacher came here after some typewriting paper before we got cleaned up went to church - thought I was out of being church clerk. Nellie resigned so I am it again. Warren took me to church when I got home he had cleaned the house - He is a good guy. we were both sleepy went to bed about 8:00

8 Warren went on a job of measuring ground - This is the day he take instructions sure hated to go he has so much to do here at home - I am to have H. D. U here today just a few snow flurries here

this morning. Cold - man is predicting more -

9 Very cold - Had Coz Bud funeral - At first they put it off & then had it at 4:00 was dark by the time we got thro. Had 6 people last night didn't get to bed until 2:00 again

10. A house full - breakfast about 11:00 for 8 of us I was ^{glad} to help out - Had a telegram from Lee Bernice Buddie & I are going to K.C. to see Uncle Will - All coz Maude children - Thelma Ed, Evelyn & Robert - Barbara & husband.

+ Loretta,
we left for K.C. ~~at~~ around 4:30
Arrived about 10:00 went to John
& Art. Lots of snow in K.C. & very
Cold.

I am very sorry to lose a
whole week of writing in my
book. I am glad that I got to see
Donald & also Hubert. They are
some kin folks. I hope the best for
Uncle Will. have my doubts.
- So many crazy thing happen -

17. A busy day. Cold - snow the last part of
the day. Rev Stephens was here looking
for a church seal - I gave him the
cut of the church & the stamp. Bud
& Gil were here. Gil so sweet. G. Smith
helped Warren some - unloaded the ground
grain & ~~loaded~~ loaded the last of the wheat.
Carried it to Rex. The house need so
much cleaning.

18. Cold - snow sure enough
winter - Grace & Roy came this
morning before we could eat our
breakfast. I got two so big chick
feed - that is all. G. Smith
helped feed. This is Warren
fifth day. We had young take
hen - dressing gravy fresh spinach

Cranberry Cider Coffee
C. Cube. I worked hard didn't
enjoy it. Sharyn & Gil called
Warren & sang happy
fifth day - I gave Warren
P. Y. which did not fit -

Harry & Bernie gave him fishing
plyers. He really likes them
we had a fifth & also gin
just the two of us - some m's
Cards: Georgio & Cal, Edda,

Harry & Bernie, Henry & Louise.
Temp high? - low - Warren
is prompt^{ing} me this was -3°
this morning - poor me drunk
as ever.

19 -10° Cold & snow - we heard over radio
that K.C. had 14 inches snow last night
got up late Jr. is here to help Warren to
Chase. Another day - work on a
pillow. Went to Hill City bought
more material for a pillow &
bones for the dog - Peg & Dink -
after dinner - went to Harry &
Bernie's - Cra & Fred gave
Warren a birthday card + \$1.00
& 1/2 pint - Then to Orval &
Alvina - play tomb - didn't
lose still # - 10°. Came home
ate oysters drank beer - to bed.
Tomb dog up stairs with us -
good night -

20-15° last nite - ^(snowed) we slept good under
our electric blanket. didn't notice it
Cooking a little ^{high} & washing dishes is about
all I get done - We went to Stockton this
after noon - I went to Dr Song had a treat
ment my right arm has been giving
me lot of trouble. I had my ears
pierced again - Sure hurt - sore &
swollen nows I am busy with
my pillows did a yellow ^{one} this evening
Have fire to make - Didn't see any
one today just us & the dogs -

21-5° - got up late - went to church
usual one out - cold. Sharon is the
assistant pianist she play nice - Kersey

is going to have a baby - Warren & I
came home read the Sunday paper
had a drink - Warren helped me
make a pillow. Buddie & Gil came
before we got the Lois & Sharps
went to a show. Bud went for a long
so we enjoyed Gil - The three of
us went down to Fr Smiths
We played bill whist with
Carter Bertha Evelyn had
fun - Won - Bud picked up Gil
we came home had dinner -
made a pillow watch T.V.
enjoyed myself - glad to be
home after last week end in
K.C. hope Warren enjoys me being
here -

22 Cold again this morning, not as cold as has
been - usual work - wash & dryed some
cloths - ~~not~~ marked three pillow
Bernie & Harry were here this morning
she had been to Hill City to see about her teeth
Warren, Bernie & I went to Hill City to a
show at the Case dealer - & free bingo, I bingoed
once & Warren once - I got a bath towel
Warren a oil can - Warren went to
Remus got a hair cut & hauled a jag of feed -

23 - not too cold, usual work we went
to Stockton about noon my ears.

They are so swollen. Coy Neal died
24 - temperature about the same - didn't
go off of the place today - joined some
Buddie, Gil, Bernie & Harry were
here - Elmer Clark was here real

early with his children - Some
thing wrong with his car - Warren
took them on to school - started
to wash dishes this after noon
sink stopped up tight - Warren
has his work cut out for tomorrow
kind of lone some -

25

got mixed up on my days
Dance how - They got to
fast.

Jan 26

Friday -
Warren fed Cattle as usual lots
of rain puddles out in yard - got
real sloppy before noon - for the
third day we worked trying to open
the pitcher sink & basement sink
no luck sure hate to pay someone
\$20.00 - maybe better luck tomorrow
Nothing happened of any interest
day everybody seemingly
shun us - don't care - our 9
pig are still living - The mail
man got stuck over west on the
check Warren pulled him out & also
~~Len~~ Laurie F. mud mud mud
sent cards to uncle Will & Edna today

27 - Sat. another nice day - The
sinks a still stopped up. We
worked all day for, Cume - He & Warren
worked until almost dark - no dice
Tonk club to nite - also the
Hill City Lodge ask Neidman to
help them for Mr Bibb's funeral
Warren dropped me off at Bud
went on to Dennis - we were late
because it was late before we went
to town to do a little groc,
shopping - Warren was slightly
on a high note, we stayed at
Buddie until late, lost

Artha

28 Sun - nice day helped feed
cattle sinks still stopped
sleeping a little, church late
Ronae went to work on sinks
finally open - Wash dishes
a while, mopped kitchen
Cook to bed late, oh yes over
to Bibb's for a while

29. Monday - another nice day -
worked like the devil wash ironed
helped feed cattle went to Hill City
to take the dog - the Dr says she
seems normal - don't know
got my new ear rings
bed time, had a shower - tired
to morrow as Mr Bibb's funeral
a lot of confusion -

30 - A real nice day - warm enough for short sleeves almost. Made potatoe salad fake beans - Cookies took to the dinner for Bibbs. my birth day - sure didn't seem like it. Warren + I had refreshment a get together dinner -

31 Picked + cleaned up some had a lovely card from Bernice ^{\$1.00} to Sharyn + Lil, Ora ^{\$1.00} + card Clara P. Card + kerchief. Edna card Warren ear rings. Lon called me she thought my birth date

31 - Pearl Bates + a Mr Brown, came way in the nite, we got up visited until the wee

Rous - He went on to Wichita
Dm children came by -
Mopine, Myrllyn, Aunt
Jennie & some more folks
Stayed about an hour
got ahead of my self
Wrote for two days -
lovely weather the
ground is so soft.
Can't get out to haul
feed -

Oh yes had a nice card
from Son & a check for
\$5.00 a nice, nice
sister -

2 Feb. Another nice day - Pearl
& his friend came back. about 4:00
didn't get up to sleep - got breakfast
a little early - They left cleaned
up, tryed to write to Son didn't
finish - Jr. came helped Warren
haul feed, I went over to Bibbs
visited - went to Dennis - fix church
books - got supper - went to church
meeting - There was a party
we didn't go kinda felt as tho we
were not invited -

3 a nice day 73°. got up early
made three cake for the wedding
worked hard, hope it was worth it
Faye Jones & Clarence Petric - They
got lot of pretty & nice presents

Mattie Bibb's birthday - took her
a smoked pillow she acted as
tho she liked it. Broke the Demos
the wedding dance was in progress
as usual I didn't get to go, home
he is snowing as usual - guess I
may as well go to bed - Had a
nice belated card from Lorena,
tired love some,

Feb 4 Sun, nice day - windy up
early helped feed cattle, church
back home dinner - went to
sleep, up watch TV to
bed got a big week ahead
of me -

5 Monday - cold - winter again
wind - Helped Warren feed cattle, he
went to Bogue early, I went to
Hill City with Bernice & Harry
Bernice wanted me to see her
teeth & how they fit - They look
very nice - she will get them
Thursday - back home Warren
working on income tax & we went
back to Hill City to take Dink - The Dr
was not in - got a few groc back
home - ate - Andrew came he &
Warren worked on lodge books
Earl Hudson ^{+ wife} came to talk politics
he wants to be sheriff. Watching
T.V.

Tue - 6 a fair day Warren went to
Stokton to see about our leaky
gas tank on the wagon & to get
the gas tank for the jeep - the
car is such a job he put it
off he had to be in Hill City
at 3:00 to do in come tax
I went along & visited with
Betty for a while & then to
Halash Scroggins - back
home supper & Bernice
called we went over there
Pearl, Brown & Carlyn were
there played cards - Some people
are silly -

Wed 7 Cool - Had a terrible sinus
head ache & flu layed
around all day - washed dishes
helped feed

Thu 8 ~~the~~ nice day - helped feed &
then we hauled two loads of feed
I am now going to wash my
hair. Bernice got her teeth
today - went to bed fairly
early

Friday - Cool & Crispy - usual - helped
feed - went to Demus Jersey
fixed my hair - went to Hill City
for a sewing lesson for H. D.M.
was not too interesting. Ora & Shirley
Stroud are having a Valentine party
for the two chapters to invite guests

we are going. Didn't go to
chapter meeting to day -
Have a terrible cold

Sat -

Real frosty this morning - turned
out to be a nice day little windy
fed cattle, oh yes took car to Hill
City first to get new mufflers &
hole fixed in gas tank - \$27.00
Warren tried to clean out silo to see
if we had some thing in it to feed
our cattle to sick. maybe Monday
if it does not rain - Buddie & Gil
didn't see anyone else to talk to
day - felt terrible all day - Remme
the flu again - would just like
to take it easy - Can't seemingly

Sun - another nice day - Summer
weather - Stayed in bed until 11:00
Warren bought my breakfast up to
me - I stayed home all day - Warren
went prairie dog shooting with
Ralph Keith - Jr. Came by late -

Mon ^{11 Feb} another summer day - did not
do to much - Bernice - Rev & family
Buddie have been here to day - Warren
work on combine about has it fix.

I sent Lon a pillow to day for
Valentine it will be late getting there
See calling to pits - Norval Vaughn
died last pit - heart trouble, sad sad,
funeral Thursday -

as
Tue - nice day a little cooler. Warren went to see Rex - came out O.K. didn't do much else - we went to Hill City late - took Gil & Sharps Valentines. Gil went to hospital - Warren gave me a hand mixer for Valentines - talked to Son.

Wed 13 cloudy - not so cold. Went with Warren after feed back home. Velva boys came - they had bathes dressed & left. We went to Hill City to see Gil - he was operated on this morning - & then to Wakeeney. took Peg to have her bed. Rained. Anna & Sonny tried to get up our Hill to muddis, Pearl came by bought 6 doz eggs - went on back

to Denver, we both have the flu - I am working on my 11th pillow this is it for now & I am real tired of them.

Thur

had pegged Wed 13 - Feb
1962

Friday - cold this morning - Warren still feels bad. Pearl, Chet, Irwin came by about 6:00 - We ate breakfast all got ready & went to

Sinclair's Nec to Harold funeral
sure had a fast ride very
sad.

Sat- got home about 5:30 - sure
tired - Warren cold is worse
sure be glad when he get
over it. We slept late fed
Cattle went to Hill City sold
our eggs - Watched TV. for
a while went to bed early.
It stormed rain & snow
Alvina put tubs chub off
until next Sat nite

Sun- Cold - went to church not
many there, home cooked
went to see Lil Rae is getting
along fine

Mon

usual happening - H.D.U. at
Ora's nice group out, T.V. slept
Harry Green stopped by -

Tue 20-

Woke up to thunder & lightning
instead of rain it was sleet & then
snow - we are watching Glenn
in orbit flight - every thing
is going fine so far. He made
it. Bernice & I went to Hill City to a H.D.U.

Wed-

Cold - Warren brought ^{clothing meeting} cubes for the
Cattle we are out of feed. We went
to Hill City - Warren had to see
Stutz & Casey Jones - the usual
after we came home -

Thur.

- It snow some last nite, Warren
is a little better. Be glad when he
get rid of this cold.

Friday Cold - stormy Warren didn't feel good stayed home all day - T.V. + then bed -

Sat Cold - Gil came worked around the house - went to Hill City took 40 doz eggs took a little birthday cheer to Ora + Fred also ad pillow - Home T.V. + then bed -

Sun Cold - church - home - Plumville to see Mrs Fuller who is in the hospital. Home T.V. bed - took electric blanket off of bed - Warren kicked so much it won't work any more -

Mon 26 real cold - 4° this morning - To Aunt Dee for H.D.U. Nutrition Vegetable Cookery lesson - Blanche W. leader - very nice - Blanche late a good group out - home tired + V. + then bed -

Tue 27 Below zero again this morning snowed some during the night moving slow this morning after we fed the cattle we went to Hill City - Home ate - T.V. + then bed fairly early - Warren bought another E. blanket. slept better way below Wed. morning

28 Wed 12° this morning wonder when it is going to get warmer

Thur ~~28~~ Nov 1.

Cold - Can't remember just what we did

Friday - 2 Nov

Cold - we were just getting ready to go feed when Louise & Henry called saying that they were ready to start out here - oh boy cleaning up was in order they arrived between five & six. the gang came we played cards until late didn't get to bed until 5:00 -

Sat - 3

Cold - up late finally had breakfast rather stormy looking the folks decided that they had better go home - cleaned up didn't go to town went to town club home early.

Sun 4

Cool - went to feed cattle - The truck stop on us - didn't get to church went out to Lorene & Ralph's back home & to bed -

Mon 5

not to cold - Jewel surprised us with a nice little colt. also nub ears had a nice heifer calf - Jewel colt a filly -

Tue 6

Wed 7

man

Thur 8 Six calves so far -

Friday 9 Cold & gloomy - Hank Braslet
Call & said we could have 25
shocks of feed - we sure need it
Cows calves & horses sure are a
worry - Went to Bogue to services to
day - & then to Hay Warren Jr. back
home & then to Chapter meeting, dull
as ever - home ate 7 V & then bed

Sat 10 Cold & storm forecasted - Warren
hauled feed - went by Jr &
Evelyn Warren helped saw a
little wood - we went to Hill

man

City a few groc & refreshments
back home Jr & Evelyn came
played card until late
snow & blowing snow -

Sun 11 Snow blowing Cold didn't go to
church - I hear they had a fair
crowds Went to town after mail
stopped by Gerald & Feather, home
Cooked ate - watch T.V. bed -

Mon 12 - not to bad out - windy - to Rose
Reece to H.P. usual fuss with
my people - Juanito got so
angry - I don't like such affairs
but I am so tired of people
running over me - Warren is
just the same.

Mar

Tue- 13 not to cold - Helped feed Rane
8 calves now - Warren went to
Hill City - Bernice came I am
making a smoked pillow for
her & helping her with a dress
Evelyn made for her - enjoyed
her visit -

Wed- 14 nice day - we fed - Went to Cuyler
got the small tractor back home
soft - Sharlyn birthday went over
gave her \$5.00 - Gil is sweet,
stopped by Mrs Smith her
daughter died - S. Jones sister
died - R. & Mrs Stephen Rave a
girl -

Thur 15

Mar

16

17

18 not to cold - Warren & Buddie went to
Russell to a machinery show

19 not to cold - Warren went to church
with me - surprise

20 Such a nice day - Warren & J. fix
fence - we are going to turn the
cattle out on wheat & moze -

Mar

Tue 21 It rain - water every where
didn't get to feed cattle today - The
wind was blowing so this morning
& then more rain - we have 10 calves
now sure hope they do alright
Wrote to Son & sent her some
pictures she called last night
Turned out to be a nice day
Fog first thing this morning &
then sun shine I ironed most of
the day - got the - Warren & Jr hauled
feed this after noon - Gil spent the
after noon with me. Cooked beans to
day. Nothing happened exciting
I do enjoy Gil.

Mar

Thurs 22. Fairly nice day - we put the cattle
out on the wheat & maze - got stuck
Evelyn came by - went to Hill City
late - Warren got the cattle in this
evening - too soft to put them out
tomorrow - Wind still in the east
O.K. for first 3 days of spring
Friday 23 Coal not too bad - fog - clearing about
noon - washed my hair, Evelyn curled
it. Fix a pillow for Mrs Taylor
Versey Stephen mother - They smoked
it - It is very pretty - Had chapter
meeting to date joint meeting getting
ready for H. Worthy Annual meeting
9 April

Mon

Sat, 24 It started to rain about 4:30 rain until the middle of the after noon - every thing is sure wet - We went to Wapenung to get our eyes tested for new glasses. shopped around a bit - had sandwiches at the drug store - Back to Hill City bought gas - Home washed dishes supper dishes again cook a small ham for the dinner tomorrow - Warren got my talk together for the program for tomorrow - We are going to bath & then feed - we have 15 calves - sure hope they all make it -

Warren bought me a lovely fishing rod a spinning outfit

Mon

Sun-25 nice day - fed cattle - I mean helped The feed on the truck was smoking sure glad we unloaded it - could have been bad - church - chair woman of food committee - It was a nice meal - Home - Hungry - fix dinner & then sleep sweet sleep -

Mon-26 nice day - forgot part of my coffee maker. Sun - started out early to get it, Buddie was stuck - took him home - went to Dennis - got the part of my coffee maker back home Buddie still stuck - Warren went to help him - Got both tractor stuck - I came back home & got the small tractor - out at last - Bernie came - we worked out

in the small building going the
some of mammals things. The
building had leaked - the fig box
was ruined - Warren & I went to the
dump with so many keep sacks
Such is life.

Tue-27 nice day - Spring is here I am
sure - up early - Bernie & I
went to Hill City for a craft
meeting of the H.D.M. We made
ash tray & I also made a lighter
out of mosaic tile - sure was a
fine lesson -

Wed-28 temp in the 80. real fine - Warren
& Smoke doctor the head of stock
early this morning - one heifer with
a bad foot & a small calf with
the scours - Then he & Bud dashed
off to Cowker - Gil & Bernie
came by - I cleaned & worked in
the kitchen all day rather tired
went to bed early -

Thur 29 - windy much cooler - This
cold still hangs on Warren.
sure be glad when he get well
we went to Hill City a few gro
home went out to see about the
cattle lost one baby calf also the
one that had scours - Township
board meeting here to night - Took

man

Ordreal & Alvin a anniversary gift this
is their 16 anniversary - T.V. & then
bed -

Friday 30

Chilly busy around the house
Gil & Bud came by about 11:00
Gil stayed while Bud & Warren
took Gil dog to Hill City, Bud
& family went to Leavenworth &
Piper - went to church meeting
Warren & I went over east to the
Ruby place got stuck Warren walked
back home got the tractor we got the
gate. Back home ate went to
church meeting. It rained
a little, no meeting out to

Sat 31

Many out -
still cool - up early - went to
Wakeeney both of us got our
glasses - I don't like mine too
well - some set us back over \$80.00
back to Hill City visited with
Wendell Sayers in his motel
home the usual cook & ate
we got our new ~~to~~ Cupboard
for the basement entrance - I
like it real well.

Sun-

April 1 - The usual rush - church
home I worked with the new
cupboard picking & putting
Smoke & his buddies Blatters
came out & cleaned two cows
that had cots calves - they

- April -

stayed & visited until almost dark - we took jr home -

2 - The usual - got dinner for Warren & jr - Ham & cabbage went to Alla Wilson to H. D. U. took Gil with me - home later Warren & I went over to the pasture to see if gates were closed & then to the Marina the lake to talk with the guy about a ~~boat~~ boat - guess we'll get one.

April 1962

3 - A busy morning windy. Warren went to help Paul with his cattle I wrote to Ann then I took my old white suit & pink coat to Alma Bird to be fixed over & then to Stockton to see a Guy about a boat, didn't like it. Warren called John talked to him about Reece's boat it cost more than we want to invest

Wed 4 Busy as usual Gil & Bud came worked in the garden some after dinner we cleaned the water melon patch I went to Dennis to meet with the food committee for Mon nite - I hope it turns out alright

- April -

Thurs 5 A fair day - Warren plowed
Bernie & Harry garden then to
Dennis - plowed for Austin Smith
Jerry S. Switzer, O. Algranber
D. Bates home - I went to

Warren & Harry
put a new roof
on the little building

Hill City the the H.P.W. tea -
6 - Damp & rainy - The colt jumped
tho the fence - cut one ~~hot~~ hoof
went to Dennis to purchase for
Chapter -

7 We the Committee went to
Hill City to buy food for the
O.E.S. Verna Aunt Bee & my self
just another rush -
Bob, Smoke & Gallety came
to see about the colt gave her
a shot - she is going to be alright

Jun - 8 I went to church - Home - Ben
& Harry came - we are having
trouble with our septic tank
the stool wont flush right
We also had a cow - with a
dead calf in her. Smoke &
Adrain Brant came ~~to~~ clean
her hope she makes it -
what a day -

Mon 9 A nice day as near as I can
remember, up early - rush
tho my work - to get ready for
Aunt Bee & Verna - They both
got here after 10:00 suppose to
be 10:00 Bud & Hil came first
we made salad & fix as
near as we could! I was

supposed to go to Glen Calmes
for a Rain but the line to our
septic tank is clog so every
thing is real wrong for today -
Warren & the guys work all
day - didn't get it open we didn't
even get to eat dress over our
dirt went on - The meeting
was the same as usual - so
tired -

Tue - The septic tank man was
here by 9:00 - Warren & I so
tired but up & jumping - They
dug down to the line cut a hole in
it & flushed water back up until
the line was opened. The cow that
Smoke was having is going to

make it - Audrey Elliot came
out late & got the furnace going
again - took us went to bed
dead tired -

Wed - a fairly nice day - the usual
Warren had two tires retreaded
got off to Carher about 1:20
to see about the used tractor
guess we will try \$1300.00
so much to be done to it - guess
Father Riley will call us to
morrow - hope we can get it
it will make Warren happy -
we gave up the boat John called
us about - we decided to much
money - \$605.00 Reece got it sold
Sun -

Thu-12 Real chilly this morning - worked at home all day - tried to finish the floor - guess maybe I helped it some - Bud + Gil were here for a while - Warren has made the deal for the tractor so he is happy - my back hurt as usual - just heard today that Charlie Kenyon is in the hospital a kidney operation - hope he makes it OK he is a pretty nice guy. Peg still has not had her pups. ■ ■

Friday 13 Worked at home all day in the house & garden - late in the evening Warren + I went to

the lake for a while no ducks

Sat-14 Cool not bad - ran with Warren all morning - Home this afternoon went up to Cook's to take a message over to Buddies - Gil came home with me ate supper - went to Hill City late - took Gil home - Bibbs - then Rev Stephens Warren wanted a hair cut - Rev not at home - we didn't wait, Warren worked on his plow trying to put a lift on it

Sun 15 Cool but nice - church & then out to Hocker 50 wedding. Amie for a while sure surprised those white folks. Some dinner

7
Mon¹⁶ - 9 then bed
Went to Stockton with Warren
Home ate a bite - went fishing with
Bernice + Harry - Caught 6
Cat fish - not bad size - my
new spinning reel works
fine -

Tue¹⁷ -
Nice summer day - had a
lot of work to do - didn't get to
much accomplished - Peg
had two pups last nite
4 from later & this evening
there are nine now. wonder
if she is going to stop -

Wed¹⁸ -
Summer day - took the car to
Hill City had the front tires balanced
After get dinner for Warren
Fred & Harry they are fixing
Jene on Bibb - we are going to
put some cattle over there

Thu
Windy - warm - usual day
got dinner - cleaned the house
Dome, washed my hair
went to Evelyn to get it fix
went to Bernice to help Hill City
finish initiate Mitch, Pam, Shirley
Gave Cordella, Bernice, Jayus
& Vi Moore the 3rd degree, it
was 1:30 when we finally got to bed

Friday 20 warm & very windy - did not have
to get dinner today - we went to
Hill City late show - Warren plowed
some ground for Virgil B Pemberton
Oh yes Kenneth Jones is getting some
of our maize cut - we are thank-
ful for feed for our stock.

Sat. nice day stayed at home all
day worked made a cake
colored egg - took a bath went to
bed late

- Easter Sun - we went to
church to gether - home back
to Remus - show pictures to
Joe Switzer & folks
Late getting home - a man
Mr Jones - we bought him
home - he is working seems
very grateful - hope it turns
out all right
went to the Dr. I am not too
happy rather worried in
fact I plain scared. I am
going back to morrow -
nice a little windy - Warren
got Mr Jones started painting
on the carrol look nice - I didn't
go to the Dr today - going

in the morning - Warren got Fred started to plowing on Joe this morning - we went to bed last night at 9:30. hope to get early bed to night.

Wed. - Went to Hill City Hospital to have the test that Dr. Koble wanted me to have - one arm has a ~~bruise~~ ^{bruise} blue from the needle - home ~~dinner~~ dinner cleaned up some - Had Verle & Fern to supper up real late ~~at~~ feel punks to day

Thur. Sure dragging to day - after being up late - called Fern for her birthday last night Bernice was here we all talked

still windy - Warren has gone to try to get the combine moved home - This man Jones is still here wish we could go fishing -

Friday ~~Friday~~ Today is Gil's 5 birthday he is a sweet little mixed up boy - Please God do the best for him - He is having a party - Aunt Bernice & I were not invited.

Friday - windy warm - same thing Fred is plowing on the Moby place - Warren & I went to Hill City - got groc - looked after some business - The man came for his combine

Kenneth Jones - messed things up - he sold mules that he should not have.

Sat 28. very nice day - a good day to fish - of course we didn't get to go - still K. Jones & the maze - We paid Mr Jones the strange \$29.00 & let him go. I am glad he has gone - less cooking - He was kind of silly we will make out nicely with out him. We worked on the fence out south of the house - hope I can get it painted - It sure is going to make things look better - I hope.

Sun 29

Nice day windy - didn't go to church - we went fishing didn't catch anything should have gone to church -

Mon 30

Tue

Wed- lovely day - Went to Norton to
The district H. S. U. meeting
very nice - Warren finished
the fence - sure will look
nice when we paint it.
May³
Thurs- went to Hill City bought
water melon seed. We went to
borrow Andrew tractor it
stopped on the way home so
we missed the man that
bought Warren tractor out I
called them they came back &
picked the fowl tractor up we
managed to get the melons
planted - sure hope they do alright

So much work in the
few days - we have
planted the water
melons + etc we had
rain sweet wonderful
rain - It saved us - please
God send us some more -

May 24 - had a letter from Lon
nice hearing from her she is
expecting some one this
summer, wish I could
keep this up every evening
we have 123 chick - were
13 days old got them Tue
one was dead this morning
feeding them & the ~~the~~ Ped pups
has sure made a web for me

gy got his truck this week how
he can make it to a new finest
spring tooth in the nursery
place & got this on Bibb to
day - move back home - also
Leon started raking & taking
hay to day - went to town
late - got give -

27. Sun - same thing not to
many out - stopped at Bernas
& Jaunita to talk over chapter
affairs - home cooked dinner
it is we had a wind storm
& rain -

28 Monday - more rain this morning
it is great my garden will
come up now.

29 -

30 a very nice day - the usual
round of the Cementers with
Bernice & ect. got home
about 2:30 work to a freeze

31 nice cloudy day look like
rain - I have painted on the
fence & the picnic table Gil
has been here all after noon
he had to have a paint brush
to - oh boy - took the car to
Hill City left it in the garage

June - 1962

Friday - we are having nice rain. Had church meeting last nite one man + a bunch of women - wish it tho had nothing to do really. didn't do much to day other than going fishing didn't catch any thing left the lake went to Hill City got the wagon sure runs better still raining + cloudy -

Sat 2. Rained all nite still raining - just a slow steady rain - Great

It rained all day - not hard this is the 6/2-62 we went to Wabesney to day bought two chains after we got home I called + cancell the order felt

like we had better wait' always the same thing in my concern -

Sun - Didn't go to church it rained Sat nite forget about Esters day until about 2:00 - we went to the lake rented a boat - Had fun - Warren caught a fish - Channel

Mon I started painting the bell the a ugly yellow I hate it

Tue - Warren helped me - he came + helped - They ^{have} alfalfa in the after noon -

Wed - Paul Davis came here
7:00 - He mowed & worked
around all day - Rain
Wed nite -

Thur - He didn't show to day - I
painted the Cub board another
coat to day - Warren went to
Camber with Buddie. He
got a new black chester
jacket up - Sharyn & Gill
went also - E. C. was on
the sick list - we went to
see Harold & Al Smith this
evening - New Brother
Harold is here

Fri Warren worked on our
water pump all day Bud
helped - Harry Gleen
came by - also Lois came
over visited a long time
Sat - nice day - parts of the
bridge ~~it~~ washed out
Warren worked on Combs
shil came - went to Denver
to the picnic for Harold
Van - to Hill City home
Warren worked - I had to
ate supper - 7th - bed -
nice day - Lorena Ruth
came to see pups -

Monday June 11 - worked trying to
clean all morning - to H. D. Y.
in afternoon when I got home
Dick & Elouise were here as
far as work is concern it
was a lost week. They left
June 15 - oh boy - a call
came last nite from L. A.
her sister is sick - I just
want to record the calls -
two to L. A. & two to Seavenworth
two to Hays - one to Darnay

Friday they left Parent heard a
word

18th Sun. nice day - went to
church. The A. D. M. program
"Your life for Cousin Austin
Smith was a success - Thank
you God;" went to bed early
June but the first part of the nite -
Mon 18th up early worked hard
all day. Cut lot of weeds
Sharlyn help me - she
went to Lorena Keith at
4:00. We went to Hill
for get groc. - back
at 8:00 supper. Rev. came by
for the Sun paper - still
no word from the folks -
Warren started cutting
"barley" to day turning

out nice we are - happy
hope we can get it. That
from old combine

Sun - 24 - a lot has happened
this week - just week
Warren cut his barley - it
turned out good it is piled on
the ground - The Paynes
came Sat June 23 - Warren
made a round on the
Thomas place - the wheat
seems real good -
we sure hope we can
get it -

July 3 - sold a puppie today
to a Hyj at Hays - He has
5 girl + one baby boy -

Jan 18 - 1963

Didn't start this the 1st of the
year like I should have -
This is Warren birthday
again - Cold as Heck.
snowing + 5 - He had cards
from Calvin + Georgia, Louise
+ Henry -

Pierce - a child at Norton
Sams 18 months
