

went home about 4:30

7 got up late. The preacher came here after some typewriting paper before we got cleaned up went to church - thought I was out of being church clerk. Nellie resigned so I am it again. Warren took me to church when I got home he had cleaned the house - He is a good guy. we were both sleepy went to bed about 8:00

8 Warren went on a job of measuring ground - This is the day he take instructions sure hated to go he has so much to do here at home - I am to have H. D. U here today just a few snow flurries here
