

early with his children. Some
thing wrong with his car - Warren
took them on to school. Started
to wash dishes this after noon
sink stopped up tight - Warren
has his work cut out for tomorrow
kind of lone some -

Friday -
Warren fed Cattle as usual lots
of rain puddles out in yard - got
real sloppy before noon - for the
third day we worked trying to open
the pitcher sink & basement sink
no luck sure hate to pay some one
\$20.00 - maybe better luck tomorrow
Nothing happened of any interest
day everybody seemingly
shun us - don't care - our 9
pig are still living - The mail
man got stuck over west on the
check Warren pulled him out & also
