

we are going. Didn't go to
chapter meeting to day -
Have a terrible cold

Sat -

Real frosty this morning - turned
out to be a nice day little windy
fed cattle, oh yes took car to Hill
City first to get new mufflers &
hole fixed in gas tank - \$27.00
Warren tried to clean out silo to see
if we had some thing in it to feed
our cattle to sick. maybe Monday
if it does not rain - Buddie & Gil
didn't see anyone else to talk to
day - felt terrible all day - Remme
the flu again - would just like
to take it easy - Can't seemingly

Sun - another nice day - Summer
weather - Stayed in bed until 11:00
Warren bought my breakfast up to
me - I stayed home all day - Warren
went prairie dog shooting with
Ralph Keith - Jr. Came by late -

Mon ^{11 Feb} another summer day - did not
do to much - Bernice - Rev & family
Buddie have been here to day - Warren
work on combine about has it fix.

I sent Lon a pillow to day for
Valentine it will be late getting there
See calling to pits - Norval Vaughn
died last pit - heart trouble, sad sad,
funeral Thursday -
