Tue 21 It rain - water every where
didn't get to feed cattle today - The
wind was blowing so this morning
& then more rain - we have 10 calves
now sure hope they do alright
Wrote to Son & sent her some
pictures she called last night
Wed- Turned out to be a nice day
Fog first thing this morning &
then sun shine I worked most of
the day - got the - Warren & Jr hauled
feed this after noon - Gil spent the
after noon with me. Cooked beans to
day. Nothing happened exciting
I do enjoy Gil.

Thurs 22. Fairly nice day - we put the cattle
out on the wheat & maize - got stuck
Evelyn came by - went to Hill City
late - Warren got the cattle in this
evening - too soft to put them out
tomorrow - Wind still in the east
O.K. for first 3 days of spring
Friday 23 Cool not too bad - fog - clearing about
noon - washed my hair, Evelyn curled
it. Fix a pillow for Mrs Taylor
Versey Stephens mother - They smoked
it - It is very pretty - Had chapter
meeting to our joint meeting getting
ready for S. Worthy Annual meeting
9 April
