

in the small building going the
some of mammals things. The
building had leaked - the fig box
was ruined - Warren & I went to the
dump with so many keep sacks
Such is life.

Tue-27 nice day - Spring is here I am
sure - up early - Bernie & I
went to Hill City for a craft
meeting of the H.D.M. We made
ash tray & I also made a lighter
out of mosaic tile - sure was a
fine lesson -

Wed-28 temp in the 80. real fine - Warren
& Smoke doctor the head of stock
early this morning - one heifer with
a bad foot & a small calf with
the scours - Then he & Bud dashed
off to Cowker - Gil & Bernie
came by - I cleaned & worked in
the kitchen all day rather tired
went to bed early -

Thur 29 - windy much cooler - This
cold still hangs on Warren.
sure be glad when he get well
we went to Hill City a few gro
home went out to see about the
cattle lost one baby calf also the
one that had scours - Township
board meeting here to night - Took
