

supposed to go to Glen Calmes
for a Rain but the line to our
septic tank is clog so every
thing is real wrong for today -
Warren & the guys work all
day - didn't get it open we didn't
even get to eat dress over our
dirt went on - The meeting
was the same as usual - so
tired -

Tue - The septic tank man was
here by 9:00 - Warren & I so
tired but up & jumping - They
dug down to the line cut a hole in
it & flushed water bath soap until
the line was opened. The cow that
Smoke was having is going to

make it - Audrey Elliot came
out late & got the furnace going
again - took us went to bed
dead tired -

Wed - a fairly nice day - the usual
Warren had two tires retreaded
got off to Carher about 1:20
to see about the used tractor
guess we will try \$1300.00
so much to be done to it - guess
Father Riley will call us to
morrow - hope we can get it
it will make Warren happy -
we gave up the boat John called
us about - we decided to much
money - \$605.00 Reece got it sold
Sun -
