Thur - 12 Real chilly this morning - worked at home all day - tryed to finish the floors - guess maybe I helped it some - Bud + Gil were here for a while - Warren has made the deal for the tractor hope he is happy - my back hurt as usual - just heard today that Charlie Kenyon is in the hospital a kidney operation - hope he makes it OK he is a pretty nice guy. Peg still has not had her guys - [redacted]

Friday 13 Worked at home all day in the house + garden - late in the evening Warren + I went to the lake for a while no luck

Sat - 14 Cool not bad - run with Warren all morning - Home this afternoon went up to Cook's to take a message over to Buddies - Gil came home with me ate supper - went to Hill City late - took Gil home - Bibbs - Ches Rev Stephens Warren wanted a hair cut - Rev not at home - we didn't wait. Warren worked on his plow trying to put a lift on it

Sun 15 Cool but nice - church + then out to Hocker 50 wedding anniv for a while sure surprised those white folks - Home dinner
