

in the morning - Warren got Fred started to plowing on Joe this morning - we went to bed last night at 9:30. hope to get early bed to night.

Wed. - went to Hill City Hospital to have the test that Dr. Koble wanted me to have - one arm has a ~~bruise~~ ^{bruise} blue from the needle - home ~~dinner~~ dinner cleaned up some - Had Verle & Fern to supper up real late ~~at~~ feel punks to day

Thur. - Sure dragging to day - after being up late - called Lon for her birthday last night Bernice was here we all talked

still windy - Warren has gone to try to get the combine moved home - This man Jones is still here wish we could go fishing -

~~Friday~~ Today is Gil's 5 birthday he is a sweet little mixed up boy - Please God do the best for him - He is having a party - Aunt Bernice & I were not invited.

Friday - windy warm - same thing Fred is plowing on the Moby place - Warren & I went to Hill City - got groc - looked after some business - The man came for his combine
