

Kenneth Jones - messed things up - he sold mules that he should not have.

Sat 28. very nice day - a good day to fish - of course we didn't get to go - still K. Jones & the maze - We paid Mr Jones the strange \$29.00 & let him go. I am glad he has gone - less cooking - He was kind of silly we will make out nicely with out him & We worked on the fence out south of the house - hope I can get it painted - It sure is going to make things look better - I hope.
