

Wed- lovely day - Went to Norton to  
The district H. S. U. meeting  
very nice - Warren finished  
the fence - sure will look  
nice when we paint it.  
May<sup>3</sup>  
Thurs- went to Hill City bought  
water melon seed. We went to  
borrow Andrew tractor it  
stopped on the way home so  
we missed the man that  
bought Warren tractor out I  
called them they came back &  
picked the fowl tractor up we  
managed to get the melons  
planted - sure hope they do alright

So much work in the  
few days - we have  
planted the water  
melons + etc we had  
rain sweet wonderful  
rain - It saved us - please  
God send us some more -

May 24 - had a letter from Lon  
nice hearing from her she is  
expecting some one this  
summer, wish I could  
keep this up every evening  
we have 123 chick - were  
13 days old got them Tue  
one was dead this morning  
feeding them & the ~~the~~ Ped pups  
has sure made a web for me
