

A PRODUCT OF WILSON JONES CO., U. S. A.

1967 — 1967

- 1 sunny in the morning a few clouds  
in the after noon  
Dinner here on the Hill with every  
body except Sharyn.
- 2 Blowing snow - very light so far  
cloudy - in after noon -
- 3 Sunny early - cloudy in after noon -
- 4 30' Sun shining a little cloudy in  
after noon.
- 5 30' cloudy - cloudy all day.
- 6 High wind blowing snow  
a blizzard
- 7 Cold partly cloudy - windy
- 8 Cold - clear
- 9 Cold - Partly cloudy - nice in the  
after noon —

MRS. MARIE WHITE

-1967-

- 10 partly cloudy - nice in after noon -
- 11 not too cold - calm first part of morning  
wind came up about 10:00 o'clock -  
a few clouds -
- 12 partly cloudy - cool - calm -  
I made it for 12 days -
- 13 nice day - I even washed windows  
went to Lloyd Wellington house  
for his birthday -
- 14 light snow this morning kind of  
surprised -
- 15 nice day a few clouds
- 16 not too cold - few clouds -
- 17 Real cold this morning. The report  
says more cold coming

18 Warren birthday - Cold has been down to zero - The forecast said snow blizzards but the old man up above is ~~sent~~ sending a good one. It is good to have a cover on the wheat. Blanche White fell and broke her hip yesterday - They took her to Salina to the hospital.

19. Cold morning. Warren got Bob to help load his - 32 pig got paid for 35 - ha-ha - I stayed home sew a little

20 - ~~a~~ a fair day - Warren & I went to Bemis had talked of bulking of Sat. put it off. Bernice & Harry & stopped by

Warren went to Pender talked  
with co-op man about gas  
& oil - Bernidena Terry had been  
there -

21 Been a beautiful day Charles  
came he & Warren worked out side  
got the old pickup started put  
on stock racks. put poison in  
rat hole - took down Xmas  
lights - going to town -

22 nice day warm like summer  
didn't go to church went to Earl & Anita  
in after noon

23 Stay home all day washed some

24 cloudy cold some moisture in air

3:00 still cloudy - We butchered the  
hog today - Harry & Bernice

Orat + Fred - Us - See eventt came  
by after we were thro scaping  
got here just in time to see us drop  
the hog off the table, got more  
put water + washed it off (smiles)  
it didnt take us to long - my  
work began - Harry cleaned the  
chittlings - I will have to  
work on them some more. The  
head + feet are fair -  
moved Cassius back up Ree on  
the hill with the old gals -  
~~going this time~~ but we pushed  
him out of the old pit up  
he fell on a panel here we  
didnt hurt him -

25. not to bad this morning chilly -  
had to feed the cattle - Went to  
Stockton met Mr Blue eyes  
he is rough - got my little  
money with ~~the~~ teeth in it  
lot of thing I wish - guess  
this is the way of it 5:30 it  
is snowing could be a good one  
It will work hard ships on us in  
one way but any kind of weather  
is wonderful

26 Remie + Harry - cut hog  
smiles }

27 Warren went to get Cassius  
no. 2 - business took place  
at once  
didnt get ~~off~~ the place

9 did  
enjoy  
it

28 met to had a day. Gil  
who I hadn't seen for  
3 weeks - made hog head  
cheese - right now - don't  
care what I eat - About to  
get dark T.V. man just  
walked in 6:00 -  
got to wash dishes

29 Nice day - went to church late  
in time for mission program  
to hear Gil thought he was going to  
sing instead he read a poem Son  
had sent him - They had church  
meeting after wards - I tried to get  
out of church club no luck -

30 - Nice day - my birthday - nice  
cards - gift from Warren - Gil  
& Son - Son called last nite Bernice  
& Harry stopped by - a nice card  
& \$2.00 - 3 more cards - Gil & Buddie  
came by in the evening - We went to  
Hill City - To Ralph Scroggin & gave  
Clara a card -

31 Another nice day - Weather man  
is predicting cold & rain - Warren is  
trying hard to get ready to haul  
away about 50 cattle to morrow  
don't know

Feb-1965

1 a sharp wind - C. Edward  
Lloyd Wellington - Buddie + Warren  
& me - Warren called the cattle &  
got them all in - They worked  
& worked finally got them cut  
out - took 41 calves - 7 old cows  
to # Stockton - Bud took 2 loads  
Warren 1 - then Warren took  
feed for them in the pile up -  
I almost got run over by one  
little steer - glad that I can  
still move -

2 Not to bad - this morning - the  
ground hog I am sure did  
see his ~~shot~~ shadow this  
morning - 10:00 now & cloudy  
sure hope they have a good

turn out at the sale & cattle  
sell good - Evert Kenyon here  
now - money before we get it -  
Sale was good enough - wish  
we could keep the money -  
41 calves & 6 cows -

3 nice enough day for winter -  
Bud came by early - & then came  
back helped Warren to load the  
cattle ~~and~~ calf - Harry & Bernie  
also - Harry helped - after dishes  
& separator - we went to Natona  
stopped in Plainville & got  
home some more meat - This  
man is going to bill me with  
food yet - He is buying a hay

beef - be sure likes to eat & drink.

4 - a lovely day - Bernie & I went to Hays - She bought dress shoes, & a pair of flat sweeds - Warren fed cattle & put up hot wire & let the young sons & precursors out. They took turns about getting turned. I am sure it will hold them - He also put hot wire to keep Cassus in where he belongs -

5 Sunday - The weather really changed - windy, cloudy & cold - some fields mowed - Calmed down by night - got real cold - Started looking for information on Lincoln or Washington - Couldn't find a D. thing, have loan two books to some body - Warren went up in

1967

the attic got out a box of old papers - back in the 1934 & set - quite an evening - Out of the clear blue Helma & Otis called a nice surprise - I called Son had a nice visit -

6 - About 10 degrees - frosty usual chores - H. D. M. meets with Rosea & Joann - to day - wished I could stay home - It was a very nice meeting  
7 Not too cold - washed & iron - Bernie & Clea came by - Warren went to Hill City to sign up for seed & grain - Faked a chicken usual evening -

8. Wind in south west - not  
to cold - my knee + right side  
hurt - I should go to the Dr. - but I  
hope to iron some more to day -  
didn't iron - wrote some letters - Warren  
I drove + looked at the ground on the  
school farm - fix dinner + had  
Andrew out to eat -

9 Nice day again - don't  
know yet what will happen - I  
do feel better tho. People who have  
been here so far - Co-op man bought  
my new sweeper - gas - Dale Elliot  
Buddie -

10 Warren had a 6:30 AM. in come  
tax meeting with Jim Jones - I got up +  
had coffee with him + back to bed

Buddie came about nine o'clock I got  
up. Warren got home about 9:30  
called call about 9:00 saying that  
they were ready to start to Denver  
I did not go Alvera went with  
him. We looked all after noon for  
a paper that we should have had  
with our in come tax paper - no luck  
I will sure try to do better this 1967  
we moved the tractor over on Buddie's  
+ got a load of feed.

11 Another nice day 9:00 now -  
Charles came they hauled two loads of feed  
from Buddie's - Bud + Gil were here  
twice - We went to Hill City groc.  
home going to eat a little - do the  
usual -

12 Sunday - nice spring like weather  
Warren went to church with me. Happy to have  
Rim - He acted as chair man of pulpit  
Committee - in Irvin Sayers place. We  
went to Bibbs & got our grinder & bought  
a small platform scale. Home ate sat  
down & took on another pound - Call Arue  
enjoyed talking to her.

13 - Another spring like day.  
every thing started out peace fully  
Warren - We were about to eat - Ida Frisco  
drove up - crying & asking for help she  
had caught her hand in the ringier  
We took her to Hill City to the hospital  
met Some up there ~~look~~ they the Dr  
had to take seven stitches in her fingers  
gave her three diff shots - took home

breakfast about noon - Buddie - back  
to Ida House - make up her bed bought  
in clothes from the line - some day -

14 - Spring like day again - I went to Ida's  
before breakfast - Bud stopped by  
Warren went to Hill City to finish up in come  
tax - back home & hauled feed - He & Bud  
Mattie came by to visit - gave her some  
cream - took her with me to bring home  
a load of feed - To Saman - back by  
Dennis - had quite a party with Ora & Fred.  
Warren gave me Rose's for Valentines  
sweet of him - I made him a tanna  
cream pie - Always glad to get tho for  
the nite -

15 Cold 13 degrees <sup>today</sup> - it was 73 yesterday  
strong winds

15 Cold 13 degrees - & strong wind, yesterday  
it was 73 - Warren went to see Mrs Blue  
eyes - got along well enough. I guess -  
I feel terrible to day - my stomach woke  
me early this morning - some thing  
I ate I guess.

16. Kind of cold this morning - a few  
flake of snow - feel better to day - P.A.C.  
meets with Bernie to day. Warren is  
going to Hill City to get wagon washed  
The wagon looks nice - Rides better  
wish we could go some place

17 not to cold - usual morning - no  
mail - Trying to clean out ice box - Hope  
I can go to Hill City & see Blanche White

she is in the hospital up there now -  
18 - 8 degrees this morning - a light  
shift of snow last nite - I didn't have to  
go feed this morning Charles is here - the  
usual. The sink in base ment entrance  
was frozen this morning - Warren & Charles  
hauled a load of feed from Buds this morning  
They are still hauling to Buds -  
Randall Weller has been here, he & Warren  
went over to look at fence on school  
farm. Gil spent the day with me  
Asking question about baby -  
20 Sunday windy cold - We got up  
early than ever - got our chow  
over - went to church together - had  
home - chicken - frozen peas salad  
for dinner - went over & look at

building on school farm - to Remus  
met another one of Lloyd Wellington's  
daughter children + husband home, son  
called saying Herman is going to  
marry again she feels bad I am  
sorry for her - He is just no good -  
The usual + to bed -

checked grass on blue place

20 - Cold - wind - chore as usual  
went over on blue place got a full up load  
of hay stopped at Bernice + Hamp, up to  
Bud + Lois - home + then to Wakarusa  
Warren is look for a small tractor back  
home Ora came by borrowed \$20.00  
Cleopha Edward a bus of barley  
guess if you cut whip em join  
em -

Cliff call about 10:00 sure snowed

# Ric Call - He is coming to Kansas  
for Mother's Day May 14 - 1967  
Warren is now draining the tank on  
the water works to rite.

21 Windy and to cold - breakfast  
usual chore - We went to Remus a little  
before 1:00 - Grace + Roy were there -  
Those that worked - Warren - Harry - Fred  
Andrew - Lawrence Jones - Cleopha E.  
Nate Moore Roy took a load + 1/2 of gold  
wood - Warren dumped a pretty good  
load at the dump. It does look better  
Grape wine tells me there is one soul or  
two who do not like the old broken  
down fence being torn down - Cut  
please them all -

22 Cold windy not as bad as yesterday so far - Thought I might go to mission but didn't. Went to Ora & Fred in the evening, Fred birthday

23. Cold - Ida Frascio came early to make a phone call late getting my work finish - went to Bogue for a while to a basket ball game - home to Hill City Warren re decerned the wheat.

24 Friday cold out - Bud stopped by - Warren is going to buy the rest of the tales - 50¢ a tale. Ida's relative died - The call came this morning about 8:00 Today is their egg delivery day - Made two trips

Bernie & Harry stopped by - We decided to go to Dennis & burn the weed - We went about 1:00 did burn - around parsonage & church - Warren & I went to Daman - back & over to the Hackett place - picked up some more junk - home ate - my plans are to dress - two chicken hen to nite - Oh yes the one that helped burn are Harry & Bernie Roy & Gene - Nate Moore - Alvin - Bertha came by late - It does look better - A big basket ball game to nite, we are not going Bogue won by one point

25 Windy & Cold - Charles came we took both trucks & tractor finish up Buds tail - 95. The usual after that Bernie Sayers called & said The May Glenn house was on fire - We

went up - The fire department had  
thing under control. Joe Etna was  
shock up the wind was in the south  
she had plenty to be excited about, I feel  
sorry for Mrs Delaney. Grocery them  
home - I tubed a hen to day so chicken  
dumpling - The darn fatten stuff -

Bed dropped Gil off we went to  
Dennis & put light bulbs in the church -  
We have a man coming from Abilene to  
preach to morrow nite - It isn't dark yet -

26 Sunday - a fair day - we  
didn't go to church this morning  
feed cattle Fair home cleaned  
dishes & separator ate more of the  
fat old chicken - Read Sunday  
papers went to church to hear

Rev Allen from Abilene - He can  
play the piano - fair speaker  
spoke to long - has a nice wife &  
three children - I have talked with  
son - Warren is talking with  
Rev L. C. Alexander

27 a fairly nice day not too cold  
9:30 chores are over all but feeding  
cattle. Warren has been to Stockton sold  
our wheat - wheat was \$1.60 - I expect  
it will go on up - be just our luck - got  
all along nicely with Mr Berkley -  
I have washed - & patched two  
pairs of cover all - now I am  
going to iron some -

28 just like summer - Bud is  
having his pick up painted - Call for  
Warren to come to Hill City after him  
Warren went by M. Bibb to get papers  
signed - payed Rev for scales - She  
said she might sell every thing  
but where the house is - Oh boy - The  
fence on the school farm is a head  
ache - Tomorrow evening at 7:00  
is it - I don't care if we don't get  
it - We pulled down the old tin fence  
this evening - just another day  
that I thank God for -

We took the old tin bin down  
looks vacant out east with out  
it don't know just what we'll  
make out of it.

1 March - 1967,

March is coming<sup>m</sup> like a lamb  
predicted ~~to~~ warm 70 degrees for  
to day - It has been hot, Warren got  
Cleopha Edward to help him to day  
they turned weeds on east side of  
place - Plan to work to morrow  
Well Warren really jumped in to  
it to nite we got the bid on the  
School farm \$2,000 I never  
expected it, more work - more  
worry. Please God, Have Mercy  
Guide us -

The bidder & there bids were  
turn page

Andrew Alexander	\$	1750.00
J. Sayers	\$	1000.00
Nels Ballen	\$	1660.00
John Kenyon	\$	1125.00
Major Lidger	\$	1170.00
Roy Van Soeren	\$	1200.00
Leon	<del>\$</del>	<del>440.00</del>
Morphew	\$	1421.20
A Warren	\$	2000.00
Loren Johnson		1440.00

2 Another day - very nice warm  
 sunny - a little wind - Warren  
 & Ch Celophs finish the fence on  
 the east side of place - I was  
 weed gooding east from house  
 kind of dangerous a person can  
 never tell when the wind will  
 switch I ironed all day plus  
 dinner - I sure tried to get  
 Warren is asleep wished I could  
 stay up & see who win basket  
 ball game - We rode over to look at  
 ground that he is going to have the  
~~franchise~~ chance to work it for \$2,000  
 went to Hill City & got some spirits  
 Bernice stopped by & brought church  
 checks for lights. The only other person

that I have seen to talk with to day  
I have so many things that I have to  
do - If the weather holds out, we  
will have company next week - We will  
enjoy some good company -

Mar - 3 - Cool about 25 - up at about  
quarter to seven, me about seven, coffee  
waiting - Bob + Edward's came to  
work 10:30 - didn't come in to  
dinner until 1:00 - dinner was a  
warm up - Warren + I went out  
about 4:00 & called the cattle  
out on the wheat - wonder how  
long it will last. It is a life  
saver - The wheat pasture looks  
good - We have had no moisture

Buddie approved of our latest  
adventure -

4 - Cloudy, Cool - No moisture predicted  
The cattle seem to be enjoying  
being out - we are for sure - Charles  
is here this morning doing the usual -  
Warren is going to Darnas with  
a load of Barley + then some  
mize to be ground - We went to  
Hill City - got our Montgomery  
order off - Groc + the usual -

5. Sunday - up kind of late - we  
are going to church - A very light  
skiff of snow or frost this morning  
church a man from Sibley Kansas, a  
older man not bad but wouldn't  
want him for all time - Cold

mostly all day - went over to school farm - to Henry & Alva Wilson back home - ate dishes & set -

Henry Wilson paid his lodges dues

Mar 6 Monday - Cool - warmed up as time goes on still no moisture - A.P.M.

meets with Lawrence & Vic today at Hill City - Home from meeting - a very nice meeting - I rode up with Bernie & Warren went to sign up on School Farm ground has to be measured.

Mar 7 - Cold cloudy - 10 degrees well I am great Auntie today Sharlyn Rose was a boy. I cleaned the china closet among other things

8 Cold about 2 degrees - Bud called ask Warren to help get the dish washer in the house - at 9:30 Warren went stay 1 hour man didn't show he stopped by told Bernie & Harry don't know what happened - The dish washer is in & set - Bob called had to have \$39.00 for his ticket -

Lawrence Jones bought him here - breakfast about 11:00. Warren polished & help clean - Ora came fought the \$20.00 The Avon woman was here

Bud called ask me to go get Gil I did - Bud & Gil had supper with us - dishes & now sitting & T.V. Lois went to Lawrence - I washed my hair early.

9 Busy getting ready for  
Company - Gil got off school  
bus here - The barn on Brown  
place burn last nite -

10 Another summer day - The  
Company got here early this morning  
got to bed about sun up. Had to go  
to chapter meeting -

11 Another nice day - A lot of  
laughter good conversation  
Gil & Bud - Gil stayed food to  
Hill city ate play took until late  
over 2<sup>nd</sup> winner - Geo got here

~~to~~ See didn't make it - Warren  
knew his foot over on school  
farm - tearing down the old house

had Harold - Charles - Bob +  
C. Edwards for dinner

12 Sunday - up late - breakfast  
fish cured ham & eggs - The folks  
left about 3:00 - we drove over to  
school farm & then to Earls - back  
home ate - dishes - enjoyed the folks

13 Monday - Warren felt better this  
morning cool cloudy a little  
moister - Harold came early  
they unload the truck - Warren called  
Bob about noon - went after him  
they worked with the building got  
some more lumber - Bernice came  
this afternoon I worked on her dress  
gone, we went to Hill City - back  
home - Dale & Elliot stopped by - then

Ora - Supper later as usual - ~~at~~ me  
to sit down quiet - Sent Shauna  
birthday card & a little token.

14. Cloudy - cold - cleared about  
noon - Warren went to Hill City be  
fore noon Harold came started on  
Roy house we went to Stockton  
back - they both worked on Roy  
house - Ora called - They started  
tearing down the old Hackett house  
to day - Thank you God for another  
healthy day - Warren's foot is so much  
better.

15 - Wed. cloudy & cold - The usual  
morning - Harold came to work on  
Roy house - just to cold - Warren &  
Harold have gone to Hill City to

gettin' for the roof - I am thro  
with dishes & separator - going to  
wash - some sheets - Buddie &  
I'll stopped by & had supper  
with us -

16 - chilly - went to Dennis to see if  
Earlene would take test for  
immunitor - Lloyd said he would  
Warren decided he would go also -  
Harold finished the Roy house  
it looks real good - We also  
got two baby calves -

17 Cold - cloudy - wind north east  
Warren has decided the he will  
~~move~~ move his lumber in the  
shop & build panels - They made 4  
at 12:00 I went to Hill City to Beauty

Malou for a hair cut, Buddie & Gil  
went to Lawrence to see Sharon & baby.

Sat 18 Another cold day - real surprised  
this morning to see a skiff of snow  
wish it could have been more - Charles  
came about 10:30 - They have worked  
on hog pen all day - I miss Gil today  
washed my hair & the usual -

Cliff & Henry both called nice visiting  
them it was rather dull & lonesome

Sun - 19 Cool & cloudy this morning -

went attended church home read papers  
went to get some fever weed for John  
by Bernice & H. Home supper dishes  
& then nothing - We had a Rev Harris  
today from Lawrence - He hollered to loud.

Sun. nite 7:30 rain hail  
thunder & lightning - Sweet wonderful  
minutes - Thank you God, just  
didn't last long enough  
20 - A nice enough day - we  
fed cattle hay & they went over  
& got some more lumber from  
S. farm. Harold came after noon  
he & Warren builded a new step for  
front room door, filled up rat  
holes with small rock - mail  
fever weed to John - The Jr Smith  
have moved a trailer house on their  
ground they got from Sadie Hall  
nothing else happen today -

21 The 1st Day of spring. Cloudy  
not to cold wind in the north to  
start with. 8:30 A.M. a nice little  
shower. Harold came later they  
have another Hog House on the  
way. Evelyn Van Losen is fixing my  
white dress & cutting my black  
coat off. Ora stopped by for a  
while this evening -

22 not to cold wind in the west. 2nd  
Day of Spring The usual day - Warren &  
Harold worked all day on the third  
Hog House - Bernie was by we  
sent Lon a little peace of money  
Bernie 15 - me 10 - About dark  
Bernie was back telling us that  
Thurys R. had called & Lois

had gone to Lawrence after  
her & baby. She & Frank had  
to move -

23 A nice balmy day - fog this  
morning wind in south west this  
morning - in due south now at 8:30  
Warren, Harold, Bob worked on Hog  
Houses all day - I went to Stockton  
walked off & forgot checks - Sus  
slipping - Wind all day out of south  
80° - real hot. We checked cattle  
counted 6 calves. Made chillie - good  
to.

24 - warm - windy - south west  
wind. Warren & his gang finished  
the Hog Houses to day -

25. ~~Was~~ Warm - windy a few clouds - went out helped feed - lost a Reifer - she was trying to calve I am sad about it - went to Hill City late - groc & ect - Warren got his suit out of cleaners - I decided not to buy suit -

26 Sun - Easter Sunday - doesn't seem much like it. guess I am too old - went to church - Sharyn was out with her baby David. 3 week old. Gil has new suit & shoes -

We went to Fred & Cras & had a drink. Home & to bed at 10:00. Lon called late I was to ~~sleepy~~ sleepy to carry on a good conversation -

27. Monday - Cloudy - fair - Warren got Bob - The well down under the Hill is not working - The man picked up the dead cow. I am washing & ironing - hope to clean up my Rouse some this week - Warren took the old shower tank down & carried it down under the Hill for water for his hog - quite a deal he has fixed up -

28. Another nice day - a little frost & fog this morning - Warren cut up old hot water tank heater - to make hog troughs - Bob tore the old shower down - me the usual - went to the dentist at 1:40 then to see Sharyn for a while

29, cloudy + mild - Warren + Bob are working on the old combine to day - I am kind of at loose ends, so far.

Warren is going to Mouton Kansas to get some used parts for his combine. Didnt go decided to take the piece to Nooty - He is going to fix it

30 The wind blew all nite at a terrific pace - The wind mill came on some time doing the nite, the cystem ran over, water all out in the yard. Never a dull moment

31 Cool, cloudy - We cut + planted potatoes to day - Sure hope that they will produce a few - Sharyn stopped

by for a minute - Little David is better - Thank God.

April - 1967

1 It rained the gage said 70 hundreds - wonderful so thankful - Charles + Bob both came to get money - Doyle Johnson + family stopped by to see if we had seen his dog. He also want to do some trading. It stayed foggy all day - sprinkled a little we went to town - back home ate - watched T.V. then bed -

2. Sun - still cloudy - not too cold -  
Rev Allen was here had church at 3:00  
very nice service - Home ate sat around  
TV + bed -

3 Monday - Warren took the Ford  
Tractor to Frank - went out to Ralph Keith  
back home - To Stockton to Bank - They  
to Plainville for meat home.  
I went to sleep - We took Bernice &  
Harry a box of candy for their 44  
Ann's - Home ate - TV. The lost  
one of the sows to have pig down ~~off~~  
under the hill has started having  
her pig. He has 53 so far

4 - The last of the girls had pigs in the  
rite - 64 we think - We moved the cattle  
this morning - I have so far rec<sup>d</sup> \$550  
from the one I sent invitation to, Velma  
& Otis to day - a nice warm cloudy  
day - Thanks God for ever thing - Bernice  
is on the school election at Bogue today -  
Shiryn & David visited to day - Hil  
got off of school bus here -  
5 Warm day - We put out feed  
for cattle counted 22 calves - I drove  
for Warren to fix fence - Windy & dust  
now

6 Thursday - what a day - check  
cattle counted 26 baby calves - feed -  
got to feed now not enough grass -  
planted onions Warren went to Remus  
to work with the trustee on the passage  
ran in to trouble, water had leaked  
in the kitchen under sink & ~~was~~  
rot<sup>d</sup> the floor & boards under the  
house just a lot of work - Warren  
should be at home - The John Deere  
man called about a tractor sure a  
good deal if we could -

now at 8:30 Town ship board  
meeting - Warren, Ora, & Bernard  
I guess my name is mud I made  
my sister in law - angry last night  
& others - Can't take low always

7 Another busy day - Gil Hurt  
himself is in hospital - high jump  
fell & hurt his side - This morning  
you know - Bob Savage wife brought  
him to work - Warren, Bob, & Smoke  
Barber checked cattle the cow that  
didn't clean seem O.K. - hope so - after  
that - I ran all day to day - Started  
out with Warren - Hill City twice  
with Warren & then back with Bernie  
to see go Gil - They worked at the  
passage all day - Harry alone  
Bob - Merle - It is thundering &  
lightning now sure hope it rains -  
Jannette & Bernie fixed dinner for  
men -

8 - Just sprinkled last night, every little bit helps. This day started out as usual - Warren started Charles on tractor - plowed the hog lot first - He is going to start both of them plowing more ground out east.

The church parsonage is still on hand - Gil is still in hospital - He has called me today - We sent him some flowers he likes them so much - Warren went with me to see Gil -

9 Sun - Warren does not feel good his back is hurting him - A windy cloudy day - We didn't go to church - Went to the Dr. instead - Warren went to bed I was busy as usual - Went to Hill

City to see Gil. Back home watched the hog - Ora came out to see Warren -

10 Cloudy - Warren is still not up to par - Tebo bought the tractor down. Wish we could buy it. I guess - The apple trees are blooming - Hope they have a chance to produce - Asparagus is coming we didn't know it - I raked the garden some, wished I had some one here so I could turn - H.D.U met at Aunt Dee - a nice meeting - Bernice & I went to Hill City to see Gil.

11 - Cloudy - chilly - we are  
promised rain - sure hope so  
I has rained sweet rain 6:00  
& still raining -

Rec the contract from Rev Allen  
to day signed & all - He will be  
he April 23 - 3:00 -

Gil is to go home from hospital  
this evening - We have 90  
hundreds of rain -

We gathered up all of the old  
gas tickets & mailed them in  
yesterday hope they pay them all.

12 Cloudy - the weather man  
still promises us more moisture  
Went to visit ~~the~~ Gil, he had gone  
to school - Sharyn & Dave are  
fine - stopped at Bernie's & Harry  
then to Ora & Fred - home & to work  
Warren still is bad off - his back -

Albert Henderson & Ethel came here to  
bring my order - Charles came here about  
6:00 loaded up some trash

13 Warren back still bad - He called  
Bob to come do chores - We went to Hill  
City to see about beef & Tebo's about  
tractor, Let Bob drive jeep home -  
Ora came by went to Philipson  
with her after chickens - Warren  
went back to Dr - I think he is

better - It rained last night 60  
hundred - make  $1\frac{1}{2}$  inches in 2 day  
Great

14 - Friday - Buddie stopped by  
this morning - Tractor talk - Bob came  
to do chores - Warren helped feed cattle all  
was well, washed a little - didn't go to  
chapter - Went with Warren to Hill City to  
get meat - \$96<sup>00</sup> - took it to Plain'sville  
to the locker - I think that we are  
going to be pleased - We had them to  
cut off 3 T bones They were good  
Went to Dennis to the Chapter affair  
we made over \$90<sup>00</sup> on a \$11<sup>00</sup>  
~~del~~ electric heater -

15 Sat, nice day - a cow was out  
we got her in - Bob came to work  
Charles was late - Both plowed - Tebo's  
came for the tractor at noon, hated  
to see it go, but think it was best -  
We'll get one - Helped feed - dishes  
dinner - dishes went up north to  
see wheat - Stopped by to see Ed  
& the rest - Bernie & Harry the whole  
family had a note from Son -

Trying to watch T.V. Elmer Griffin  
Note Moore Jr & Carter came in glad  
they left to let us see the last part of  
Gun Smoke, I am so thankful  
that Warren is better -

We have a fancy hen with 9  
chicks 3 or 4 days old - The Count on

the calves is now 33 we guess -  
sure cuts - pigs are fine -

16 Sun. nice day - we went to  
church - home look at papers -  
Stopped a Harold's - Warren got a  
hair cut - Earl & Anita came  
talked all after noon - checked cattle  
ate - it was late then the usual -

17 Monday - nice day - went to  
check cattle the old green truck  
quite a mile from home - He walked  
back home got the <sup>new</sup> ~~old~~ truck.  
We were in a hurry - I went to  
Bogue - Hill City - home dinner  
& then to Hays - Bernie & Ora  
with me - stopped in Plainville  
got some beef home late tired -

18 Tue - Cool this morning - The  
water works are on the blink  
the motor stopped - a new one  
I guess - Got one from Pratt  
#9000 Warren & Elliott's man worked  
all after noon - water again  
I went to see Mr Berkley - he was away  
Have to go back Thursday -

19 - Got up so early - Warren had  
to leave early - They are to leave Hill  
City at 7:15 - To Hutchinson to a farm  
meeting with Freamon as speaker -  
Very cloudy this morning a little mist  
rain a little Bob went home  
after checking cattle - I went  
to mission 6:00 Warren is not

Home a yet - It's lone some  
Here - The spook scared me  
Warren got home before dark  
dark - had a nightmare  
rather tired

20 real damn this morning  
Warren had Bob help him ring the  
sow down under the hill this  
morning then turned them  
out - breakfast late - took my  
clothes to Hill City to be cleaned  
took home dinner - Stockton  
Club at Verna home checked cattle  
Hill City - Had to go to Bank - at  
Stockton - Son called she is  
so down ~~at~~ in the dumps  
sure wished I could help

I am afraid Warren is not  
feeling to good -

21 I can't remember - I didn't write it  
down - for the 21<sup>st</sup> I do know that  
I ~~to~~ was a busy woman -  
trying to get ready to go to K.C.

22

23

24

25 Raining when I got off of train at Ellis  
Warren was there to meet me - sure glad to  
see him - home slept about 2 hours + then  
the telephone - a busy day - to bed  
early + the rest that happened I  
can't remember.

26. Gil 10 birthday We gave him  
a shirt + 50¢ - Warren + Bob worked on  
the tractor all day -

Started to work on school farm

27. Cold - it froze last nite again  
the tractor did not work - Warren  
sent it to Hill City - After dinner we  
went to Dennis to work on parsonage -  
We are going to Hill City to draw  
to Dennis & then home - Ernie Dobny  
& gang got back this far on their trip

28 Windy & Cool - Dennis went to  
Dennis to work - Charles came by after  
school & plowed the garden again

29 a spring day - Warren finished  
up on school farm - He moved Bob  
on Jellinsons place - Charles worked  
here in yard all morning - hauling  
feed - to hog & putting up he went  
home at noon - Prom. to nite & he has  
a date. We went to Dennis finished  
the painting - home - Warren took  
Bob home & we went to Hill City -  
7:30 home sitting with a drink  
got to eat & wash dishes, Had a  
letter from Mr Jellinson to day  
the place is for sale \$12<sup>000</sup>

~~30 Sun~~ - some more caring on  
got to get it some way -

30 Sunday - a family mil day -  
Froze last nite - we went to  
church - Mission - Warren had a  
paper on mission - Came home  
& then went riding to the Norton  
lake & then I don't know how  
many miles - ate at Norton -  
home Harold & Letha came by  
for his saw - read & then bed -

May - 1967

1 Monday - it froz again last  
nite - windy & cold this morning  
makes a person wonder - H. P. U.  
meets at Anita today she & Bernice S.  
hostess - meeting is over - same kind  
I got sleepy - It snowed a few  
flurps to day - Rec  $10^{\circ}$  from  
Mayday Morniger to day -  
Warren went to Plainville for  
meat - didn't work to day -

I have got to go to Pillsbury  
to morrow for a H. P. U. affair  
I would just as soon take a  
bating - I want to clean house  
some - We bought paint this  
mornig

2- Froze again last night -  
The usual rush - Bernice  
& I went to ~~Phil~~ Pillsbury  
to a H. D. U. meeting were  
there by 10:10. Just in time  
for the president to be recognized  
we stay until noon, picked  
up Bernice's chickens etc  
& then back home. A noise  
developed in the back of the car  
bounced the rear end - got it  
home by driving 40 miles per  
found out it was a tire -

3- Of all things it is snowing a  
real wet snow this time of year  
The Bible says this would happen -  
The snow stopped before noon - Warren  
got back from Stockton no encourage-  
ment - Stubby - The Federal Land  
Bank man - turn down flat -  
Called Mr Jellison - supposed  
to get to Junction City before  
noon to morrow - Please God  
have mercy on us -

4. Raining + snowing again  
early this morning - Foggy guess  
we won't start to Junction City  
Warren is going to Hill City + call  
Have not heard any more from Cliff  
Went to Hill City with Warren. Back home  
been picking + putting base mat + all -

5. Friday - Rain sweet Rain  
Don't know about the wheat but  
wonderful on grass + every thing  
Buddy stopped by on his way  
to Colby to see about his money  
for going to Abilene after Red  
Allen - \$50.00

Company - Company - Cliff  
this week end - Don + Gus  
next week end - Louena +  
Velma the next -

6. 1 1/2 inches of rain last nite, sure  
fine - Charles stopped by - 7:00  
I washed dishes, then we went to  
Webster Lake - Warren thinks  
he got a bite, I didn't - wet a line  
any Row - scattered cloud 6:10  
P.M. Trying to fix some thing to  
eat - scallop potatoes, meat loaf  
Hope that it is good -  
40 hundreds rain before noon -  
Wonderful wonderful -

7 Sunday - a nice Sun shinning day - few clouds - Charles came to tell us about the car down at Stockton - & to get a pole post - Church - home & worked - I got ~~no~~ more to do, to get ready to go to Junction City in the morning to see Mr Jellinson & to pick up Cliff -

8 Cloudy this morning - We did go to Junction - Cliff - Henry & Louise down out from Edwardville - we all had dinner together - we got home around five - Henry called about dark - so every body had a safe trip - We are

met to disapprove with our conversation with Mr Jellinson

9. A usual day - Bob tried to work in the field - still too wet - They started work on the Hog pasture

planted a few garden seeds

I went to Bogue after cream - Don Gity died of a heart attack -

10. Cloudy - mild - Bob is still working on Hog pasture pasture - the Hog that has been sick is better - Warren had to go to Stockton this the farm - not home yet. made out O.K.

11 Cold to day not bad - Warren & Bob finished the Hog fence & turned the Hogs in before noon - dinner

Bro went to work on Jellison's place - It seems cold to Cliff so not much happening this afternoon - Andrew had the misfortune of turning his tractor over yesterday evening - lucky he was not hurt too much - Bernie B. + Bernie S. went to Russell to a church affair today nothing else happening - We are to have company tomorrow -

12. Friday the day. Cloudy + Cool  
8:00 a.m. Warden load poor Cursons  
took him to the sale - he only bought  
\$76.00 weight 625. Cooked dinner  
as usual! Picked + put. I am  
real tired this evening - a while

yet to go - Our small T.V. is  
in the shop I don't like the loaner -

13 Well deal diary I neglected you  
this day! The folks came -  
Henry came for Cliff - Warren  
helped Jones do his cattle - Cooked  
played cards - 3 of the men went  
to Bernie's to sleep 14 Sunday  
more cooking - tired everybody  
left but - Dee - Margherita + Major  
& baby - It rained - nice  
day of weather for us - took  
a Mother's day card to Aunt  
Dee -

15 # - Monday - a nice sunny day - Bob called - he will be here after dinner. Warren is working on the mowing machine - got to get it going - The rest of the gang left about 2:30 Oh by - How good -

16  
The house is quite - I am sure I can stand just us for a long while - We have got to get rested up dried out & get to work - Bob quits yesterday to take a job for more money - It is OK. it will put us in a cramp but I am sure we'll

make out - Two of the old big white sows have pig 2<sup>2</sup> I think - we work Roy troughs this morning -  
17 Wed. Starting out a nice day Warren is going to the field to day to flow terraces - I might go this after noon. As it turned out it is just to wet to do a good job.

18. A beautiful day - Warren is going to work at home today the pigs & hogs are going to be a problem as usual - 55 little fellow, running loose we are afraid for our potatoes

and onions if they ever find them - Oh boy. I am washing trying to get these sheets clean up for the next didn't get through work out doors - helped moved a hog house - went to check cattle

19 A nice day - work some company - Rev Allen & Mrs Roy Vandwall - before dinner tractor troubles - went to Stockton with Warren truck disks & etc - Warren has to go back to Stockton tonight after a tractor wheel - Same old troubles starting out this year

20 - Raining when we got up ~~20~~ ~~20~~ 20 every little bit helps - Charles came early - we were up off & on all night went to Stockton got the tractor wheel - Warren & Charles worked on hog creep all morning - fix tractor in after noon - It didn't rain as much over east at here - Charles is one waying 7:00 ' is not in yet - I have been to Wakeeney with Ora to meet some people - This has been another day -

May -

21 Sun - I went to church - Warren worked all day with his Roop - The first young sow had 10. We got three more - Bernice & Harry came before they left Sharyn R. Gil & David - Then Buzz Johnson & family we ate about 9:00 - Wild greens & Corn bread - good -

22 Monday - Warren & Charles got the other young sows in place - Buddie stopped by to call his gas man - Warren is going to the field I have got to go to Stockton - Don't know what else - To Bogue to despoat church

Money - To Hill City back home started trying to clean & washed

some -

23 Tuesday - Son is in San Francisco to study on the Head Start program - Two of the Giltos have had pigs - one 10 - one 6 We finished up on Bibbs - Warren is going to start on Mrs Nibbles he did - Charles is working or did work the sadaf grower on Thomas place - I met the foak motel - at Nicodemus went back with Warren to his Lodge meeting

24. A beautiful day - The country side is pretty. Noon it is very cloudy & hot - Warren finished up on Mrs Nicklin's. All of the ground has been gone over - Bird Guffis had a stroke or some thing.

25 Graduation is over for Charles I hope he can go on to school I got some more garden planted yesterday - Windy & hot -

26 Friday - The wind went down ~~to~~ in the nite. Thank goodness. It is cloudy this morning - Warren got the Hay bind yesterday from Plainville. Hope every thing turns out O.K.

One of the white ments has 9 pig They robed alpaha on blue place today - Warren also got started taking - He took the new hay fine out cut below the Rose Pie - Warren like it real well.

5:00 it is dark, has sprinkled a little. The T.V. said that a bad storm from Garden City

To Manhattan Ks. I am sorry  
for the people.

27. The storm was bad in places -  
We have had 70 hundreds of  
rain - It is still cloudy &  
raining here this morning -  
Warren & Buddie are going  
to Cambria after repairs

28 - Sun - Irvin Dobney Margrette  
Pearl & Ellen came from  
Denver - Pearl & Ellen  
stayed here - Didn't get to  
bed until 4:00 up & to

church - Sine was hard -  
They left about 8:00 Sun  
evening - We went to bed  
before 10:00. Some week  
end -

29 We have 80 hundreds inches  
of rain - Real great. Clean  
up some - went to Hill City  
to see the sick - another 10 this  
afternoon

30. Memorial Day - We had  
30 hundreds last nite - The  
drought is surely broken - so  
thankful. Talked with Lon last  
nite. She is very blue - Wishal

I could help. got my straw  
berry plant yesterday - Don't  
know when I'll get them  
planted. we didn't have company

70 31 Still raining <sup>20</sup> It is great - The  
pasture looks so good. Charles is  
out of his misery now - He has  
another car possibly more misery -  
we raised money to make  
payment on land.

June

1 A cloudy & rainy day - cool  
This should help the wheat to  
fill. Hil spent the day  
with me - Warren worked  
at the parsonage try to fix  
the toilet drain - no luck  
they have got to dig it up -  
I went to Lorene Keith payed  
for the chickens

2. Cloudy & cool - Warren hauled  
feed for hogs & pigs this  
morning - Bernice & Harry  
stopped by - Charles is here  
now cleaning out the hen

House - Warren has gone to  
Remus to work at parsonage.  
I am in between - washing  
& all -

3. Charles has been here they ground  
the ear corn - & bought all of  
the machinery home - Doyle  
Johnson got three pigs that  
settles his <sup>debt</sup>. It is still  
cloudy & damp - The wind is  
blowing - Precious is  
worrying the sows

down under the hills

4 We went to church - Warren  
didn't feel too well - after  
church we got the mail  
home read for a while. We  
started out to look at wheat -  
The wheat is pretty good  
better than we thought  
We stopped by the Pruitt  
Sorensen & Paul - drank a  
lot of ice tea - stopped by  
Bibbs to look at wheat  
picked green as Grace  
& Roy - Ann came by - &  
got ~~hook~~ hooked up by

Ora, went to Wakeemey  
with her after plants  
sure didn't want to go -  
late when I got home Warren  
was vexed - don't blame him  
he didn't know where I  
was.

5 Cool & cloudy this morning  
I got a million things to do  
dishes then to Hill City to take  
Ting - & to get Ben House spray  
back home - & then to Darnal  
we took grain to grind -  
Home & then to H. D. U. at  
Ora & Pearlene - Back to

Darnal after grain - worked  
& planted strawberry  
& horse radish - Precious  
bred the large white  
sow, after dark we went  
to Lorene Keith & got the  
chickens 60. 50 pellets

6 Real cloudy this morning -  
Warren doesn't feel good  
Charles came to say his  
Grand mother was raising  
hell this morning so he had  
to go home to work. Every  
thing either goes good or  
bad Warren baled the hay

on the Blue place 330 & also  
Charles started out on Hank.  
Warren is ready to start  
taking this - Warren had a  
terrible sick spell this  
after noon I took him  
to Dr Long. maybe he is  
a little better

7 Real cloudy this morning  
Warren is not a lot better  
He was up most of the night  
Please God help put him back  
on foot. Henry Brault was  
here first this morning then  
Charles - sure glad he came  
Buddie got his Ray cut

& baled this here in the bottom  
& then it rained ~~so~~ .80. Warren  
let the pigs out of the little  
tight pen - I walked out to  
the potato patch - yes they  
had knocked down onions  
The potatoes are in bloom -  
so Warren got busy & we  
put them up again - We  
are to sell some of them today -  
8 It rained so much the  
man didn't get here until this  
morning after the pigs Warren  
sold 50 of them <sup>for</sup> .80. Audrey  
has been here & fixed the leak at  
the kitchen sink - Buddie  
stopped by. Warren has the

mower started - It just  
stoppal - He is a little  
fetter -

9. It is cloudy & damp this mornig  
Warren called Raymond Jones  
He is going to start on hay on  
School farm. Warren seems  
better to day - He tried to cut  
hay on the Thomas place wouldnt  
work - He sprayed the young  
sows & pig - Had Brad feed  
tough chicken feed & vitamins  
4 for sows - Charles W. kept  
on school farm. I went to  
Chaptes to practice - Rained  
30 so far. Look like we

Could get a good one before  
mornig - some hail this  
evening - Warren is  
cleaning guns.

10 Partly cloudy this mornig  
40 all together out of last nite  
storm. Warren went with  
Lebo's man to look at a combine  
no good - Gil & Buddie came  
Gil stayed - Earl stopped by  
we went to town late - visited  
with Wendell Sayer - Home  
supper - Warren typed the  
program for me - I went to  
bed early -

11 Cloudy - Cool - Other wise a  
nice day - The program  
all turned out O.K. Every  
body seemed to enjoy Red  
Houston - Clara & her food  
Committee worked real well.

.80

12. Cool & cloudy - Verna & I  
went to Hill City to get the  
food for the Chapter. To remain  
in afternoon to help clean  
hall - They were there when I  
got there - a lot of conversation  
about arrangement of tables -  
Rain & hail - .40

13. Cool & cloudy - The Grand  
Mation called Bernice  
lost it's wants to have  
meeting early - O.K. with  
me - a little rain - some  
hail - ~~To~~ The usual  
work -

14 - Scattered clouds - windy  
sun is shining thro clouds -  
I am so tired this morning  
wish I could have stayed in  
bed until noon. The affair  
was tripe - nothing new -  
everybody looked nice - Gil  
spent the day - I took

him swimming had to buy  
swim trunks - Went to Budo  
to take him a small gift &  
card for his 50 birth day.

15 Real Cloudy this morning -  
looks like it could rain any  
minute, we are in a muddle. Rep  
Charles had to stay at home to  
day - work is so far behind  
I don't want to complain about  
the good rains God know best.

Some insurance adjuster were  
@ here - We went over to old combine  
no luck in starting it. We got  
Shower to pull it in with

his cat -

Robin Brady & his little wife  
came before dark - it started  
raining before dark - just  
2 miles Oh boy &

16 Cloudy - look at first like it could  
rain any minute - clear & sunny  
later - The Brady's left around 10:30  
Gil & Bud came Gil stayed - Warren  
& Charles both worked on combine  
all day - Frank came about 4:30  
worked to about 6:15 - I hope some day  
Warren can get it going - looks bad to me.

17 - Cool & cloudy - Didn't do too much to  
day - Gil came with his daddy I  
took Gil to Demus at 2:00 to practice

Warren filed 175 for Hank

Dora came to get Rev Allen's money for turning grain

back home work dishes. We went to Hill City before six - Town ship board meeting here.

18. Partly clouded - went to church Warren didn't go - The Harry Greens were here yesterday so I hear - we are not on the list!

19. 70 last night things are really wetter Warren is still working on the old combine - It should be fine some day # I have green cobbing - Warren has gone to Hill City, back with his repairs - Gil came we went to Bogue to see the parsonage were the explosion was to day, good that no one was

killed - Frank is here working on combine. 9:30 - Warren will be so tired tomorrow, has not rain to day.

20 Real cloudy this morning - up a little bit early. Rain in the afternoon - Work with Rogs - Warren went to Hill City two of the gilts got in the pen with big sows - They try to kill them, it was terrible to watch warning - We didn't go to bed until after 1:00

21 It rained I guess most of the night 1:25 inches in the gage now - The creek is up - fence is gone - went to ~~Con~~ Colwell - had my hair cut + fixed - Warren worked

on combine - Charles didn't show

22. The sun is shining - Cool - lots of dew. My back is giving me heck. Woke me up during the nite - It must be from my falling off of the bike I am going to Dr. Long to day. I went since feel better. I was suppose to have gone to bed this after but as usual I didn't. Gil & Buddie - Hank Brault & set 8:00 running a little

23 Cool cloudy - a heavy mist. Warren worked on combine all day. Mike & Charles picked up Hay - I was just plain

sick all day - Lazed around most of day - Bud & Gil came by in after noon - also Bernie & Harry -

24 30 rain last nite, we didn't know it rain until Warren got up - A bad tornado in Garden City - We went to Plainville to see Mike & get meat. To Stockton to see about mower. Home and then started to Hill City - We stopped in Bozou & the Hail Adjusters stopped us. It is now 4:45 Warren is just getting home. To Hill City for Groc. Home - Fred & Ora came talked - it was almost 10:00 before we ate a bite & went to

bed.

25 No rain - I went to church - Warren worked on Comore all day - finished painting it - I pulled a few weeds & picked some greens - Watched T.V. Talked with Son feel so sorry Hope she can come home -

→ Warren shut up pigs

26 Sun is shining - starting out a nice day - Started painting in back ment entrance - Sharyn Rose, Hil & Davie were here

27 Nice day - I went to Stockton to see Mr Berkley - on to Stella Miller to see about & get information on Mrs Martin Bernice went with me -

28 No rain this week so far Warren is working in Ray Charles is working ground for feed & mize - I am going to Stockton to Mrs Martin's funeral. I did - To lunch at the Rasley - The negro's really filled the house up - food ok I guess - Home fix dinner for Warren - Warren sent Charles to town to eat - I painted some more picked & put - It sure looks like rain. Leon & Deb Blue started to cut wheat - Warren got 725 bales of hay on Thomas place -

29 1/2 inch rain last nite. Finished  
painting in base ment entrance  
got the cement to do yet -  
went to Hill City late for  
groce -

30. A nice sunny day -  
lots of dew - Warden pulled  
out with the combine this  
morning at 9:30 to ~~the~~<sup>cut</sup>  
Farley & Charles is working  
ground - Mike Alexander is  
here to help put up hay - I  
have washed windows & got a  
long way to go - had  
six to get dinner for they  
put up hay plus Warren &  
Charles - Warren cut a

Fin of Farley -

~~25~~ hundred in of rain

July -

1 Partly cloudy - We didn't have  
church meeting last nite Recolled  
it off - Stopped by Bibbs to speak to  
Reta - by Bernies & Harrys home  
Pearl stopped by about 11:00 - then to  
bed - This morning so far - I took  
the Segure boy home - totter juice  
dinner - navy beans + Ham hock -  
now clean up - cut 188 bus of  
wheat on Jellison - a little  
green -

2 Sunny & warm - I went to  
church - Rather disappointed  
with people & Christanity

takes all of the fun out of  
life. Nothing to look forward  
to. My back is still giving  
me trouble - We went to Dr Long  
if Warren feel better - Mine still  
hurts - H. D. U. at Bernice's to  
day - Shy & Blanche W. Talked  
with Lon last nite - Just  
another meeting -

4 - Raining this morning - won't  
cut wheat today - we had  
40 Charles & Mike were here  
Warren let them go home - Warren  
went to Hill City with Buddie  
Gil stayed with me - My back  
still hurts -

5. Warren like the furnace again this  
morning - It is cold & damp -  
Charles is here they are cutting  
weeds - began <sup>ing</sup> to look better  
around here The place looks nice  
(We got Buddie truck & move  
Precision up here to the large white  
rows)

6 Cool cloudy damp - We didn't  
do too much - Harry Green came by  
we went to Hill City - Charles  
worked in field - Warren is fixing  
up a light out west at hog pen -

7 Heavy over cast, damp. Charles  
came to work about 9:00.  
Warren worked on old truck

Our stopped by - Ben & Raul  
Hogs & Cattle for Harry. Mable  
Nevin came here after Charles  
Gil was here - We went up  
north to look at wheat -

8. Thunder & lightning most of  
nite finally rain this morning  
no work today. Sharp & Frank  
are to go to Lawrence today. They  
did. We took the boat to the lake  
today. Gil & Buddie came - so  
Gil got to go with us, a nice  
outing -

9. Hot & sunny this morning no  
rain. Warren is going to try to  
work - I went to church - used

Rome went to the feed cook  
chicken back to feed home back to  
field. Tried to take a load of  
wheat to the ~~field~~ <sup>town</sup> - Had a flat  
Warren finally came to my  
rescue - got fixed he took it  
to town home dark almost 11:00  
Warren is showing - I going to  
The Mr. Shane from Texas  
called - They are in Hill City  
10 Hot - this morning - Hot all nite  
I am tired to start with this morning  
The one who have been here  
Bernie & Harry - Our - dinner  
by ones - Then Odessa  
Evelyn Smith - After them  
Dr & Mrs Mc Shane - Set up

to late - one to munny - fed about  
100

11 - I got up late - a nice day -  
harvesting started before noon -  
Finished up on Jellison & moved  
to Boss - Went to town for  
groc - Home rioned & watched  
ball game - Went to Hill City  
real late & visited the McShanes

.60 12. The rain woke us up this  
morning - went out wheat  
to day - Gil was here - I didn't  
feel too good but I made it - We  
went to church. Home bed &  
rested good.

13. Nice sunny & over cast  
later - We loaded the 3 old

rows + Precious - took them  
to Stockton to the sale - Back  
home & then Bernie went with  
me to the sale - We had a ham  
sandwich - The hogs didn't  
bring as much as I would have  
liked - Went to the bank - to  
the store - got enough money  
to buy refreshments - Home  
Warren tried to cut wheat  
180 bus today - Gil has a  
new purple ~~trike~~ bicycle  
he is a happy little boy.

14 - Sunny - a lot of dew last nite real  
damp - Charles is running the  
rotalier hoe over maze - Warren  
has gone to check Corns - Howard &

Adesa came last nit - up until 12:00  
again. Lil - Buddie's Ronnie has  
been by - Lil is real happy - over  
his bike. Buddie had a bad  
tweak down - Warren moved back  
home - I went to church by  
my self -

15. This is a rainy day for sure  
got the tractor fix Charles went  
to the field with it - same thing  
happened again - Rainy again  
200 A. of wheat still in field.  
Lord have mercy -

16 Sunday - Another damp cloudy  
day - No Sunday paper - The

train strike is on - I do not feel  
good to day - I went to church  
alone - Lil was here when I got  
home - Frank came for him -  
I helped Warren bring the tractor  
that is down in. Warren went  
to the field on the Thomas place  
Earl & Anita have been here -  
Cliff called yesterday evening  
Loren Miller died. Wish Warren  
could go to L.A. for the funeral -  
Son called this evening before  
dark.

17 Monday - Cloudy damp -  
Can't cut wheat - Let's come for  
the tractor this morning - Hope  
they can get it fixed soon

noon it is lightning &  
some - some wind - I doubt if  
there be any wheat cut today -  
Ora has been here - Mrs Van Soan  
Carol Jones - Bernice - Didn't feel  
to go out -

18 - Cloudy damp - Charles is working  
on School Farm - We are just here -  
Hil was here - Buddie & Warray  
went to Hill City & then we went  
later & got the tractor - Warren clean  
my garden patch - I tried to level  
it down - Cut some weeds - Warray  
is now out to the combine

19 Cloudy damp Warren went to  
the field - The tractor broke down

again - Judge Gilbert Alexander  
came to visit about 11:00 & left  
about 6:15. We got our visit out -  
I felt a little bit better not up to par  
Warren & I went to Hill City & ate -  
Home & to bed early -

20 The sun is shining this morning -  
first time in a long time - Hope we can  
cut wheat - We cut here - Warren  
started cutting Ray on Beault  
The guys started up north  
yesterday evening - We can  
see our way out now - I think.  
Today Rose A. would have been  
52 years old.

21 The sun is shining again -  
Thanks be unto God - Warren finished

Cutting hay over west on Brault.  
Charles is still cutting wheat

22. Sunny & Hot - We are still  
cutting on Mrs. Nickles - The  
guys finished up north -  
got the tractor fixed again  
this morning - Bernie & Harry  
have been by - Rudy & family  
are here Coz Maude & Versella  
also -

Finished cutting today - July  
22/67. at 4:30 -  
Started cutting of barley the  
30 June - Oh Boy!

23 Sunday - didn't go to church. Should  
have - went to Norma with  
Warren - later started to the field  
ran out of gas - went to Harold  
visited with Versella & Coz Maude -  
home dinner - Ora came - later  
Coz Maude & Versella - Jo Smith  
Warren welded some thing for him  
to bed late -

24 Hot - Warren is cutting hay on  
H. Brault Buddie is going to  
help - Had a rain shower & stopped  
~~even~~ everything. Gil drove Bud  
pickup here today. 10 years  
old he feel so grown! I was  
scared. 2 lionel shirts - Sharps R.  
Came so we went to Bogue & mailed

letter + then to Crais for a while  
+ back home - Warren + Gil dig  
potatoes - Our potatoes are nice.  
The Store at Bogue closed  
up - Sure to bad.

25 .40 Rain last nite. Son called  
last nite glad to talk with her  
she wants to come home - Don't  
know just how she is going to  
work it out.

26 Hit + Hummel - worked all  
morning - Warren + Buddie  
with the hay - Charles in  
the field - Gil has been here  
Bernie called + said the

Stephens would be here this  
evening - They are going to  
stay at Bibb - If Buddie  
+ Jean come they will stay  
here - Warren is about to  
finish up for Hank B.  
Gil is a lot of help -

27 Rain ~~7:30~~<sup>1:10</sup> last nite - I wonder if we  
will ever get our hay + finish  
the field work. The wheat cutter  
were here we paid they  
forgot refreshment -

28 90 rain last nite. Went to Remus  
with Warren ans. Edna W. letter  
→ We both got deer permits (smiles)  
Warren didn't feel good I worked  
a little - Rev Stephen & family  
are in the community - He  
showed pictures at the church  
last nite. I enjoyed them  
They had a dance at the T.W.S.  
Hall -

29. Hot & lots of dew this morning

30 Hat

31 Hat

30 inch Rain

Aug -

1 Tuesday - Pearl + Irwin left  
yesterday evening - The Hought  
Cam. this morning - as per  
usual I am tired - guess I'll  
ride on to K.C.

10 - Sorry little foub - I went to  
Grand Chapter - Had a nice room  
met old friends made some new ones  
was on a judging Comm - Stayed  
in Hotel until Sat - went to Dots + John  
Stayed over for the ~~Hats~~ Gueland  
Reunion - Had reservation on train  
Warren called Sunday about 3:00  
saying he would be there to get me -  
he did - We came home Monday nite  
tired oh so tired. We had rain while  
I was away -

10 Nice day cool - Buddie & Lois went to Denver to get Lon she will be here to sit - Vera came this morning - We dress 12 chickens 10 young 3 old hens - I have still got work to do - this evening - my feet & leg are giving me trouble - Bernice went to Salina to assico - she will be home tomorrow - We have a tractor down - Warren is so worried -

11 Cool & cloudy - Charles is working on school farm - Warren is cutting hay on blue place - Warren has some boys to put up

Ray - with Frank in charge - They didn't do to well - Buddie got back from Denver - Lon came, she stayed over to Bud -

12. Another cool morning - John Dot, Jeanie & the children came about 3:00 this morning - got up got them all to bed - we got up about 7:00 to start again -

13 Didn't go to church - went to Bernice to dinner - Dot show pictures - We came home went to bed after the news

14 Cool - worked around home all day - Bernice bought Lon over after they fish some - we sat up late as usual - Warren got thro' taking

15 Cool - don't know what the day

will bring - It folks lots of troubles  
16 - Same thing every thing  
went wrong today, tractor  
went wrong -

17 nice day starting - I am supposed  
to take into Denver - Bernie & Frank  
are to go with me - I need prayer  
& luck -

18 nice day no rain - I made the  
trip - Sure was hard - I slept  
most of the day - got back  
home about 5:00 A.M.

19 Sat cool & lots of dew - Gil  
spent most of day - The hay  
boys didn't get thro but Warren  
let them go - went to town for

groceries - Home ate watched TV.  
closed about 10:00

20 - Cool - wish we could go fishing  
Aunt Warren & I went to church  
I am so happy - today Gil joined  
church - He has given me his memo  
for a dinner that he wants on the  
day that he is baptized - Bernice's  
birthday - she has some nice  
gifts & cards - we went over for a  
while but home read & watched  
TV.

21 - Dry & cool - Warren has gone to Hill Co.  
to see about tractor - kind of blue -  
things are not to good - Had TV meeting

22 Same thing Charles cut hay  
on school farm - Warren was

Around most of day. Had TV man  
from Stockton - ~~to~~ Had to buy a  
new Booster for TV, sure  
works better -

23 Same kind of weather - I feel as  
bad to day. Went to Stockton  
to Dr. He was not there - back  
home - Here hoping I can do better

Charles sure disappointed us - He  
announced that he is not going  
to school - too much influence at  
home, who do not no any better

24 30 Min last nite great for  
the feed + grass - Warren  
has the hay down on school  
farm. Seemingly to day it  
to wet to bale -

25 A nice damp morning - Warren  
is going to try to load some  
pics - Charles came this morning -  
we didn't get as much money  
as we had hoped - Turk is  
life - Warren finished baling  
hay - over 500 bales - Buddie  
& Lil went to K.C.

26 Real cool + cloudy - Charles is  
going to haul shale for the  
hog lot - Warren has gone to Hill  
City to get the shocks fixed on  
wagon + later he is to go to  
Stockton - I later went to Ellis  
with Sharp + Lois to look at  
Vergie Glenn House -

27 Sunday - Hot & dry - we went to church - Home papers & cooked some kind of day. Son called late

28 - Stuck from Hays was here Bud bought the Ray bike home & got the faler - Warren took the tractor to Hill City to be fixed Warren had a trustee meeting at Remus -

29 - Hot & dry - a few clouds in the sky - went to town late got a few groc. Warren started on our fall grain deal -

30 - Cool - cool - Bud bought the faler home - Warren worked all day on the Bar q - wagon, it's far beyond my expectations sure looks

good - got to get some thing how to cook - I am happy with it.

31 Cool - I went to the Dr Long today hope I can get better soon - We were in Stockton most of the day our money will be short for some time - can't do any better -

Sept -

1 Rain - I woke up before day & it was raining -

2 Windy & partly cloudy - we tried to cook some meat on the new cooker - it didn't do so good - The Bates have a new chev. car

very nice - a dark blue -  
Sharon, Rose & family moved  
to Hays

3 We went to church. Cool, back  
home with papers - ate -  
dishes, T.V. & then bed - got up  
to the pot & fell - sure hurt

4 Damp & Cool - got up & started to  
work about 11:00, made cookies  
& fix my grand's lunch went to  
Remus they were almost tho  
eating when we got there - home  
& then to the dump & to Andrew's  
Home T.V. then bed.

5 Cool & nice - laid out a skunk got  
in the hen house - killed another  
chicken - Warren got the skunk  
Came near getting him

7 foggy this morning - Cool & damp -  
Went out to Hocker yesterday. To  
the grocery store. Home & the usual -  
I am to go to Hays with  
Bernie today - Had a letter  
from Lon - she went on the  
trip In Montreal Canada  
today with a springe ankle  
8 clear & cool - Did go to Hays -  
The kids are fine - Bernie & I did  
get a stroller for David, they  
needed it.

9 Another dry day - sure need rain - Warren worked on his bales & hay bins all day I went this afternoon to the dedication of the new Bogus post office - We went later to Hill City for groceries & refreshments - To Bemis out riding trying to see a bird - Ran into my sister in law & Alona - two stupid girls or old women who will never learn how to treat their fellow man -

10 Called Lois had one hell of a fun guess that will be it

11 Hot - Charles worked - we weeded the Thomas place - also cut some of the feed that is drying up - Warren is busy screen barley to be planted to - The Bates were by -

12 Bud has been here to get Warren to help him with his cattle - It tried to rain this morning we are promised rain later on today -

13 Rain last nite so lot of thunder & lightning a good rain - It was needed, Warren has gone to help Bud with cattle this morning

14 Warren & Charles are busy this morning fix up the ~~road~~

coral to work cattle to morrow  
a nice day Cool Warren had  
wheat cleaned over at Palco  
yesterday - We noticed a little  
dog in the road - After we got  
home we decided to go back &  
pick her up - we are calling  
her jet.

15 a nice day - Bernie called &  
ask me to go to Stockton with  
her sure glad I did - I got to  
see Dr Long - had a treat ment  
& blood check - my pressure is  
very low & a tired heart, I am  
going to take it easy & try to get  
better

16 cool - We got the tractor back  
that has the loader on it hope it  
will stay together for a while  
They worked the cattle sure  
glad that's over - Had ~~4~~ bulls

Warren got buy with a badly mached  
finger - Went to town for eye  
the usual - Charles is here today  
working in field this afternoon  
Warren has worked in tractor - The  
Bates were by

17 - Went to church didn't feel too good  
Rome & the usual - Buddie & Lil  
were by

18.90 rain some storm

19 Rain .75 - cloudy all day some  
sprinkle of rain - I went to Dr  
Dr. to day - I do not have to  
much hope in the Dr as any  
one else - Warren does not act  
like I would if he were sick  
down - I guess I try to hard to  
be nice - Have not seen any of  
my folks today - Shame on me  
I make it some way - I am  
sore -

20 - Cloudy & Cool - sprinkle off & on  
went to Dr Koble - He says about  
something as Dr Long - My back  
still hurts maybe some day

Bernie & Ora both came to see  
me this morning - Bernie washed  
my hair - I am going to clean  
my house some now for club to-  
morrow -

21 A cool morning sun is shining  
bright - Club day - Oh boy -  
Club was O.K. - Bernie & Ora  
helped & Warren - Ora cooked  
the oysters - they were good -  
I was tired. We watched TV.  
went to bed

22 A cool morning nice -  
Bernie went to Colo - Andrew  
Aunt Dee - Coz Clem - Harry backed  
out at last minute -

Soren Johnson stopped by  
this morning & paid Warren  
for cutting feed - Buddie  
stopped to visit.

23 Damp - Warren tried to falo feed  
no luck - tractor would start  
every thing went wrong  
we went to the sale at Hill City  
didn't buy any thing home  
didn't do any thing - dinner  
Harold & Setha - Pearl &  
Ellen - to bed about 4:00

24 Bright - Cool & some wind - I didn't  
go to church - my legs would  
carry me - Pearl & Ellen are  
here - Earl & Anita stopped by  
also Grace & Roy - Sharpen

didn't come to see me - Lon called  
last night - she said David had  
a tooth - he is now 6 months -

25 My legs are still funny - maybe  
some day - if I could only rest  
I don't think other people under-  
stand, just as long as I drag -  
Went back to Brainbury today  
sue hurt - We still have guest

26 - Woke up to rain this morning  
It is good - but sue stops the field  
work - Bernis & her gang made it  
back from Colo. I am to go back to  
Dv today & every day this week -

27 Cold-33 - this morning guess winter is here. I am a little better I think & hope. Pearl & Ellen left this morning - Warren is trying to get started to drill wheat to day -

28 Cold-32, this morning - Went to the Dr. yesterday a rougher treatment - put heat on last night seemed to relieve some of the pressure. I am walking a little better this morning - Henry called this morning Louise had a stroke yesterday & is in a coma - troubles never cease - Warren is trying to finish

up on the school farm - Charles is out East road weeding -

29 A nice day - not so cold this morning - Ora came out & visited for a while - Dinner & then to the Dr. home to work on chum books - Didn't go to church meeting -

30 a beautiful day - drilling & working ground, Charles mess one tractor up right at noon - took Warren all after noon to get it fixed - We went to Natoma late to take care of some business - home late - ate - Bud Erwin Nabney & Gil - Erwin has a new pick up - Talked to Henry. Louise is had off not expected

to make the night -

- Oct -

1 Sunday I didn't make it out all day. I hear that the program was O.K. sure worked Warren had lots of company - Irwin & Bernice Sayer - Bernice & Harry Coz Hattie - Lucy & Jannetta Pearl & Irwin Dabney - I was so tired -

2 I went to Av Long. & back home Coz Hattie & Bernice - Hil Warren is drilling over on our 80. Mattie Bibbs -

3. A nice morning - Thebma Brown came before we could eat, glad

to have her - Bernice Nojme next - Andrew & Bernice Sayers called. I think I feel a little better today -

4 Nice day - Company before noon Coz Hattie & Lia - Went to Stockton to Dr. this afternoon - Bernice took me - Warren finished drilling on our 80. & Bibbs He is now ready for Jellison

5. Cool & cloudy, a few sprinkles of rain - ~~Then~~ Glen & Mary Leeb were here - we are buying the juice from them for \$75.00 - hope it will help ~~me~~ <sup>us</sup> -

6 not to much change

7 Decided to go to Hospital tired of dragging

8 In Wakeenay Rego's Hospital not happy so uncomfortable  
The Dr. Buie say I might get to go home Wed -

9 They took the water away at 12:00 woke me early, & ran a tube down my throat to my stomach left it 45 minutes - had X rays this after noon - sure a long day waiting for Warren now.

I have not felt like writing so I am behind - today is the 17. of Oct - I am at home now - got to go to Wakeenay Thursday to find out what has happened I am kind of low in spirits so it does not matter what happens - I got up with my ~~car~~ cane & kitchen stool & washed dishes - Ora was out & get two chickens rooster - to dress for me - They will be some thing that I can eat. Warren is still baling hay - I dont think he is well, he is not to patient with me, so I do for my self if I have to crawl - Bernice is some thing

young

else - She want me to lib for  
after all of the things she has  
done to me - The Dr. says I keep  
suffering of all time for her to  
come here & jump on me Sunday  
was all most to much - when  
a fellow is down I guess you  
are just down -

18 A nice day - I felt pretty good  
yesterday but to good to day  
my old legs just wont carry  
me - We need money this  
morning - Warren is hardly  
what little wheat we had left  
not enough to go around.

19 - It was a nice day out - I had  
such a terrible day yesterday

sure had a hard time getting up  
staid to bed last nite. this  
morning I am still in bad shape  
Warren is taking me <sup>to</sup> ~~to~~ Wakeeney  
sure hope they will keep me - I am  
so misthale, - I am just to much  
for Warren to have to take care  
of - My dear folks dont know that  
I am as help less as I am.
