

29, cloudy + mild - Warren + Bob are working on the old combine to day - I am kind of at loose ends, so far.

Warren is going to Mouton Kansas to get some used parts for his combine. Didnt go decided to take the piece to Nooty - He is going to fix it

30 The wind blew all nite at a terrific pace - The wind mill came on some time doing the nite, the cystem ran over, water all out in the yard. Never a dull moment

31 Cool, cloudy - We cut + planted potatoes to day - Sure hope that they will produce a few - Sharyn stopped

by for a minute - Little David is better - Thank God.

April - 1967

1 It rained the gage said 70 hundreds - wonderful so thankful - Charles + Bob both came to get money - Doyle Johnson + family stopped by to see if we had seen his dog. He also want to do some trading. It stayed foggy all day - sprinkled a little we went to town - back home ate - watched T.V. then bed -
