

6 Thursday - what a day - check  
cattle counted 26 baby calves - feed -  
got to feed now not enough grass -  
planted onions Warren went to Remus  
to work with the trustee on the passage  
ran in to trouble, water had leaked  
in the kitchen under sink & ~~was~~  
rot<sup>d</sup> the floor & boards under the  
house just a lot of work - Warren  
should be at home - The John Deere  
man called about a tractor sure a  
good deal if we could -

now at 8:30 Town ship board  
meeting - Warren, Ora, & Bernard  
I guess my name is mud I made  
my sister in law - angry last night  
& others - Can't take low always

7 Another busy day - Gil Hurt  
himself is in hospital - high jump  
fell & hurt his side - This morning  
you know - Bob Savage wife brought  
him to work - Warren, Bob, & Smoke  
Barber checked cattle the cow that  
didn't clean seem O.K. - hope so - after  
that - I ran all day to day - Started  
out with Warren - Hill City twice  
with Warren & then back with Bernie  
to see go Gil - They worked at the  
passage all day - Harry alone  
Bob - Merle - It is thundering &  
lightning now sure hope it rains -  
Jannette & Bernie fixed dinner for  
men -
