

8 - Just sprinkled last night, every little bit helps. This day started out as usual - Warren started Charles on tractor - plowed the hog lot first - He is going to start both of them plowing more ground out east.

The church parsonage is still on hand - Gil is still in hospital - He has called me today - We sent him some flowers he likes them so much - Warren went with me to see Gil -

9 Sun - Warren does not feel good his back is hurting him - A windy cloudy day - We didn't go to church - Went to the Dr. instead - Warren went to bed I was busy as usual - Went to Hill

City to see Gil. Back home watched the hog - Ora came out to see Warren -

10 Cloudy - Warren is still not up to par - Tebo bought the tractor down. Wish we could buy it. I guess - The apple trees are blooming - Hope they have a chance to produce - Asparagus is coming we didn't know it - I raked the garden some, wished I had some one here so I could turn - H.D.U. met at Aunt Dee - a nice meeting - Bernice & I went to Hill City to see Gil.
