

2- Froze again last night -
The usual rush - Bernice
& I went to ~~Phil~~ Pillsbury
to a H. D. U. meeting were
there by 10:10. Just in time
for the president to be recognized
we stay until noon, picked
up Bernice's chickens etc
& then back home. A noise
developed in the back of the car
bounced the rear end - got it
home by driving 40 miles per
found out it was a tire -

3- Of all things it is snowing a
real wet snow this time of year
The Bible says this would happen -
The snow stopped before noon - Warren
got back from Stockton no encourage-
ment - Stubby - The Federal Land
Bank man - turn down flat -
Called Mr Jellison - supposed
to get to Junction City before
noon to morrow - Please God
have mercy on us -
