

7 Sunday - a nice Sun shining day - few clouds - Charles came to tell us about the car down at Stockton - & to get a pole post - Church - home & worked - I got no more to do, to get ready to go to Junction City in the morning to see Mr Jellinson & to pick up Cliff -

8 Cloudy this morning - We did go to Junction - Cliff - Henry & Louise down out from Edwardville - we all had dinner together - we got home around five - Henry called about dark - so every body had a safe trip - We are

planted a few garden seeds

met to disapprove with our conversation with Mr Jellinson  
9. A usual day - Bob tried to work in the field - still too wet - They started work on the hog pasture

I went to Bogue after cream - Don Gity died of a heart attack.

10. Cloudy - mild - Bob is still working on hog pasture - the hog that has been sick is better - Warren had to go to Stockton this the farm - not home yet. made out O.K.

11 Cold to day not bad - Warren & Bob finished the hog fence & turned the hogs in before noon - dinner
