

on combine - Charles didn't show

22. The sun is shining - Cool - lots of dew. My back is giving me heck. Woke me up during the nite - It must be from my falling off of the bike I am going to Dr. Long to day. I went since feel better I was suppose to have gone to bed this after but as usual I didn't, Gil & Buddie - Hank Brault & set 8:00 running a little

23 Cool cloudy - a heavy mist Warren worked on combine all day. Mike & Charles picked up Ray - I was just plain

sick all day - Lazed around most of day - Bud & Gil came by in after noon - also Bernie & Harry -

24 30 rain last nite, we didn't know it rain until Warren got up - A bad tornado in Garden City - We went to Plainville to see Mike & get meat. To Stockton to see about mower. Home and then started to Hill City - We stopped in Bozou & the Hail adjusters stopped us, it is now 4:45 Warren is just getting home. To Hill City for groc. Home - Fred & Ora came talked - it was almost 10:00 before we ate a bite & went to
