

9 Another dry day - sure need rain - Warren worked on his bales & hay bins all day I went this afternoon to the dedication of the new Bogus post office - We went later to Hill City for groceries & refreshments - To Bemis out riding trying to see a bird - Ran into my sister in law & Alona - two stupid girls or old women who will never learn how to treat their fellow man -

10 Called Lois had one hell of a fun guess that will be it

11 Hot - Charles worked - we weeded the Thomas place - also cut some of the feed that is drying up - Warren is busy screen barley to be planted to - The Bates were by -

12 Bud has been here to get Warren to help him with his cattle - It tried to rain this morning we are promised rain later on today -

13 Rain last nite so lot of thunder & lightning a good rain - It was needed, Warren has gone to help Bud with cattle this morning

14 Warren & Charles are busy this morning fix up the ~~road~~
