

27 Cold-33 - this morning guess winter is here. I am a little better I think & hope. Pearl & Ellen left this morning - Warren is trying to get started to drill wheat to day -

28 Cold-32, this morning - Went to the Dr. yesterday a rougher treatment - put heat on last night seemed to relieve some of the pressure. I am walking a little better this morning - Henry called this morning Louise had a stroke yesterday & is in a coma - troubles never cease - Warren is trying to finish

up on the school farm - Charles is out East road weeding -

29 A nice day - not so cold this morning - Ora came out & visited for a while - Dinner & then to the Dr. home to work on chum books - Didn't go to church meeting -

30 a beautiful day - drilling & working ground, Charles mess one tractor up right at noon - took Warren all after noon to get it fixed - We went to Natoma late to take care of some business - home late - ate - Bud Erwin Nabney & Gil - Erwin has a new pick up - Talked to Henry. Louise is had off not expected
