

6 not to much change

7 Decided to go to Hospital tired of dragging

8 In Wakeenay Rego's Hospital not happy so uncomfortable
The Dr. Buie say I might get to go home Wed -

9 They took the water away at 12:00 woke me early, & ran a tube down my throat to my stomach left it 45 minutes - had X rays this after noon - sure a long day waiting for Warren now.

I have not felt like writing so I am behind - today is the 17. of Oct - I am at home now - got to go to Wakeenay Thursday to find out what has happened I am kind of low in spirits so it does not matter what happens - I got up with my ~~car~~ cane & kitchen stool & washed dishes - Ora was out & get two chickens rooster - to dress for me - They will be some thing that I can eat. Warren is still baling hay - I dont think he is well, he is not to patient with me, so I do for my self if I have to crawl - Bernice is some thing
