VALENTINE

Dutch kiddies look cute,
◉ but very queer ◉
So I prefer those over here
For they are just as sweet—and fine
As any foreign Valentine

An Anniversary

for You

Dear Marie;
It is late I know but
The old saying, better late
than never. Ha Ha
See you Sat.
Odessa

So many people share the joy
That you two know today
Because they think so much of you
In such a special way;
And here's an Anniversary card
That's coming to express
A wish that every future year
Is filled with happiness.

Howard of Odessa

For SISTER
and HER HUSBAND
on Their
Wedding Anniversary

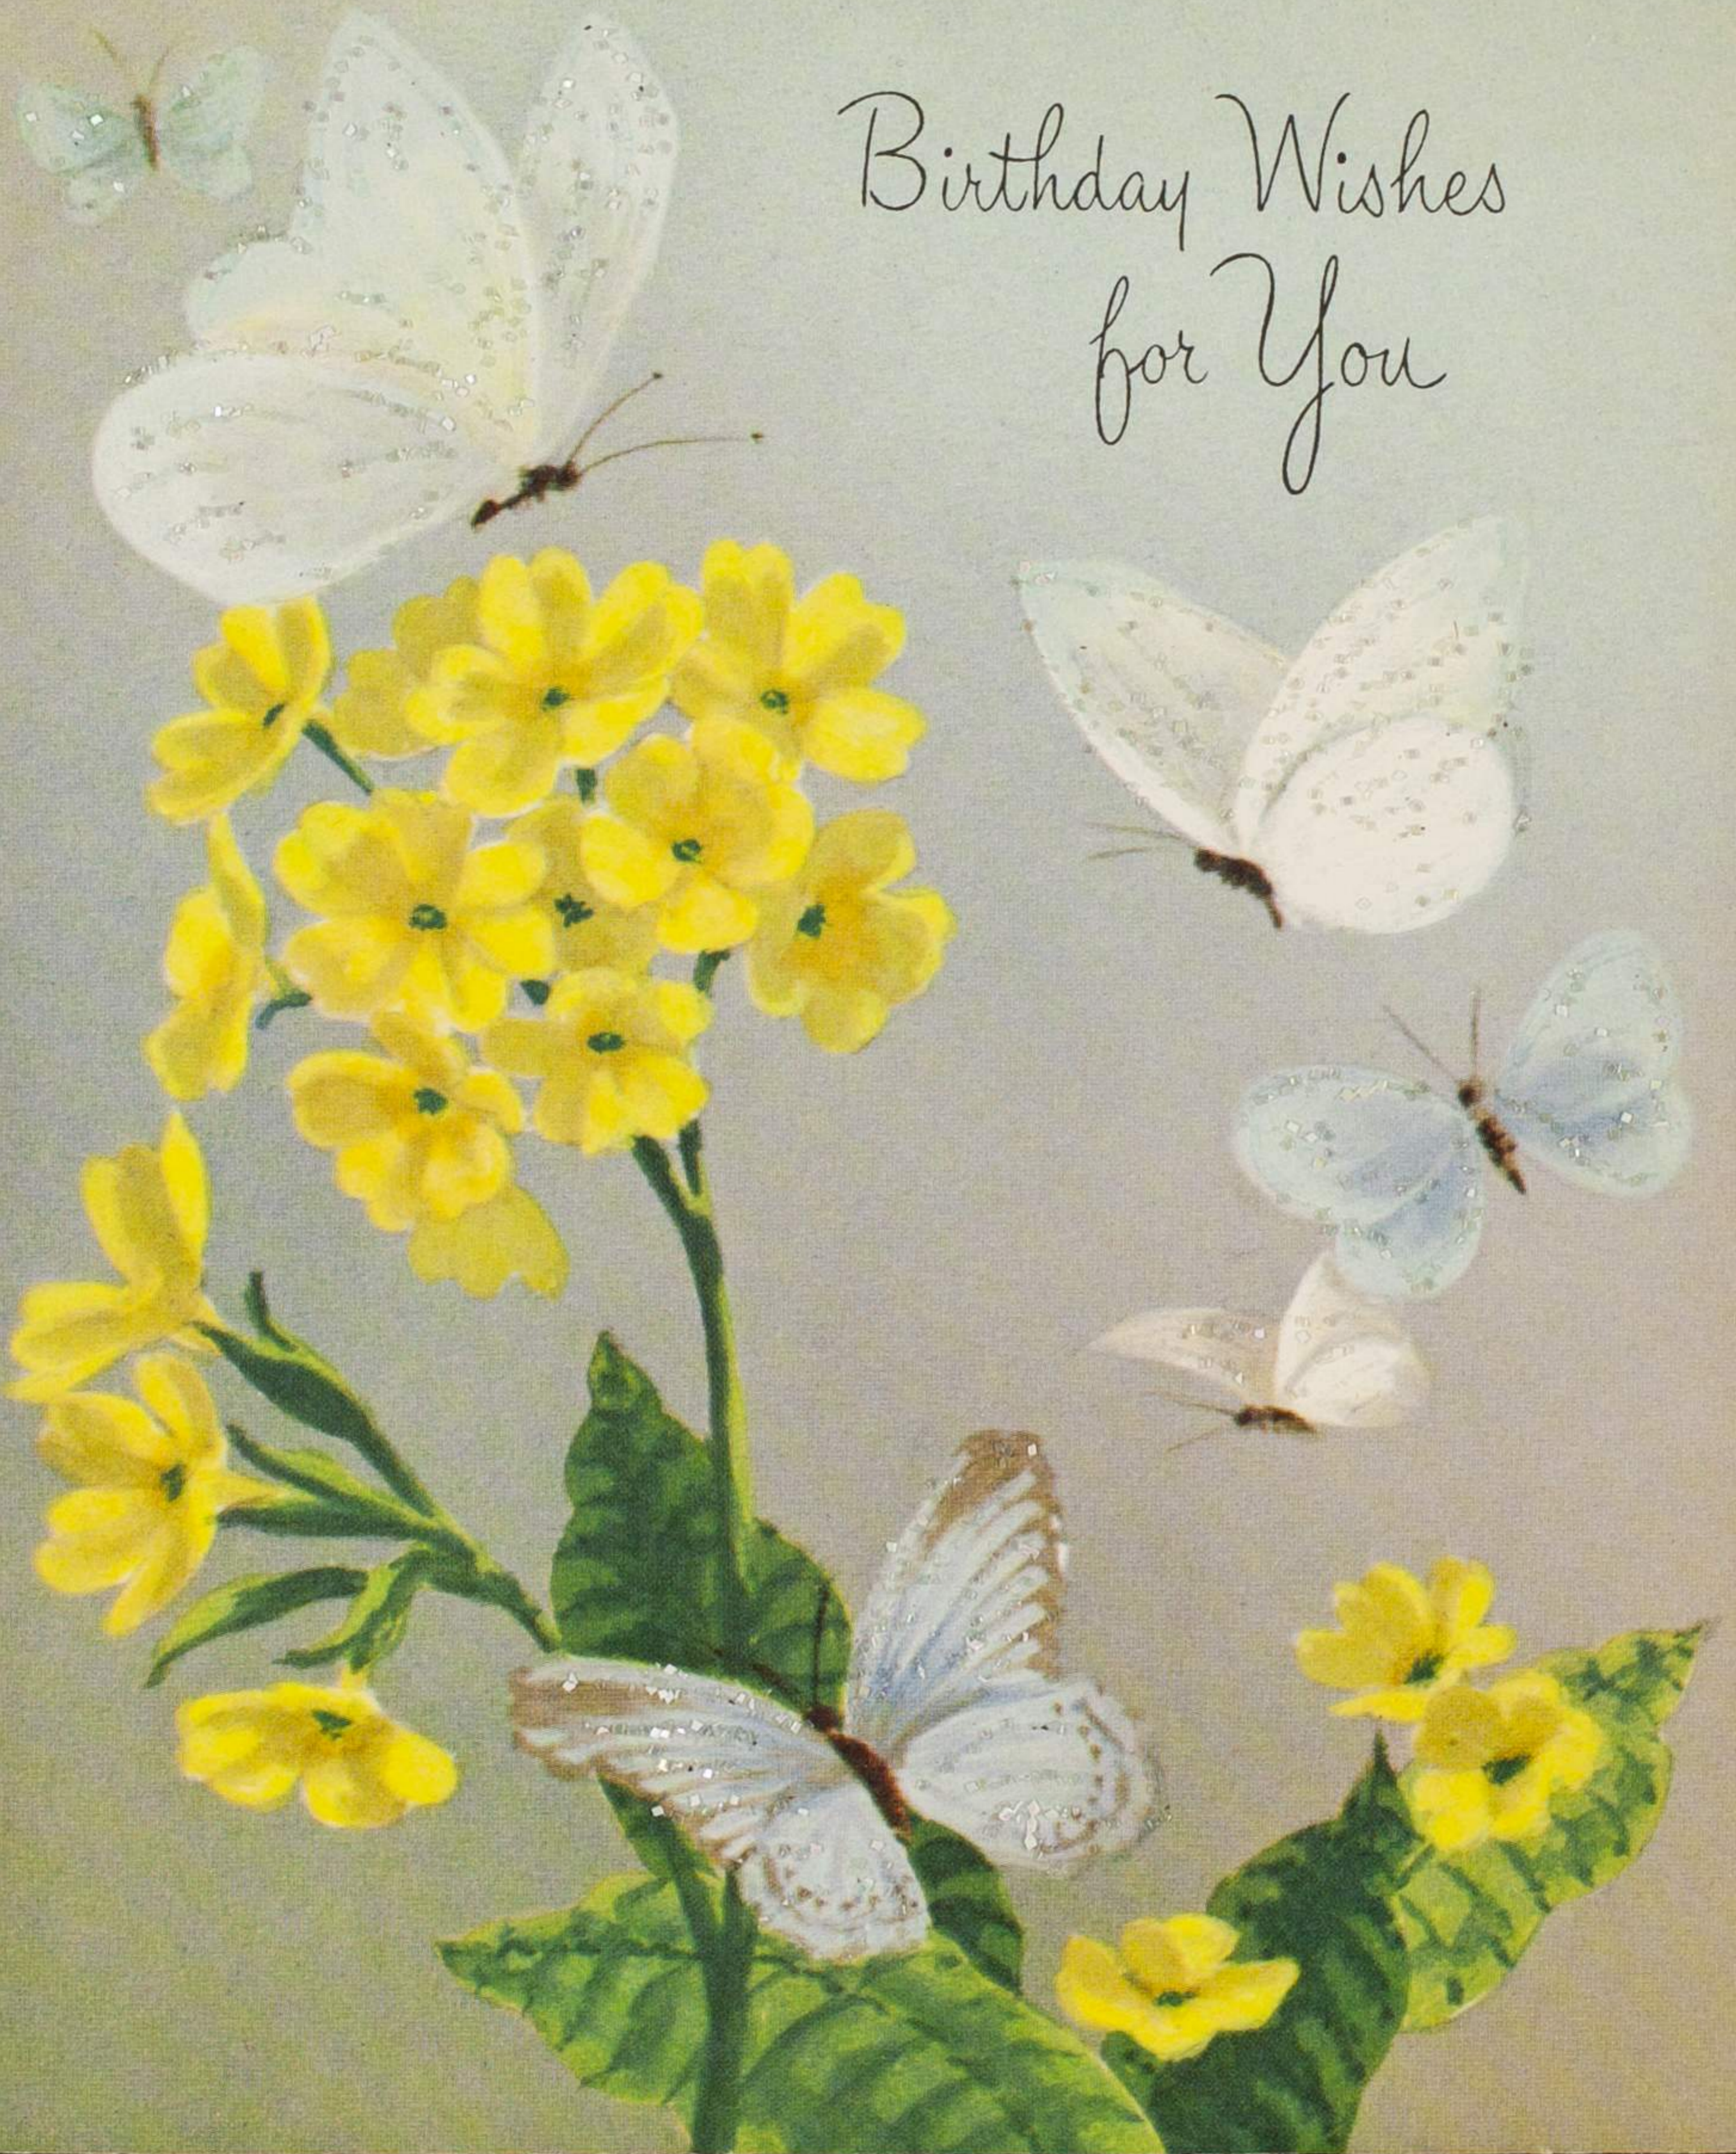

A loving wish on this special day
That belongs to both of you—
May it be a time of happiness
And memory-making too.

May the years ahead be better still
And happier by far—
It's only right, considering
How very dear you are!
