

congratulations

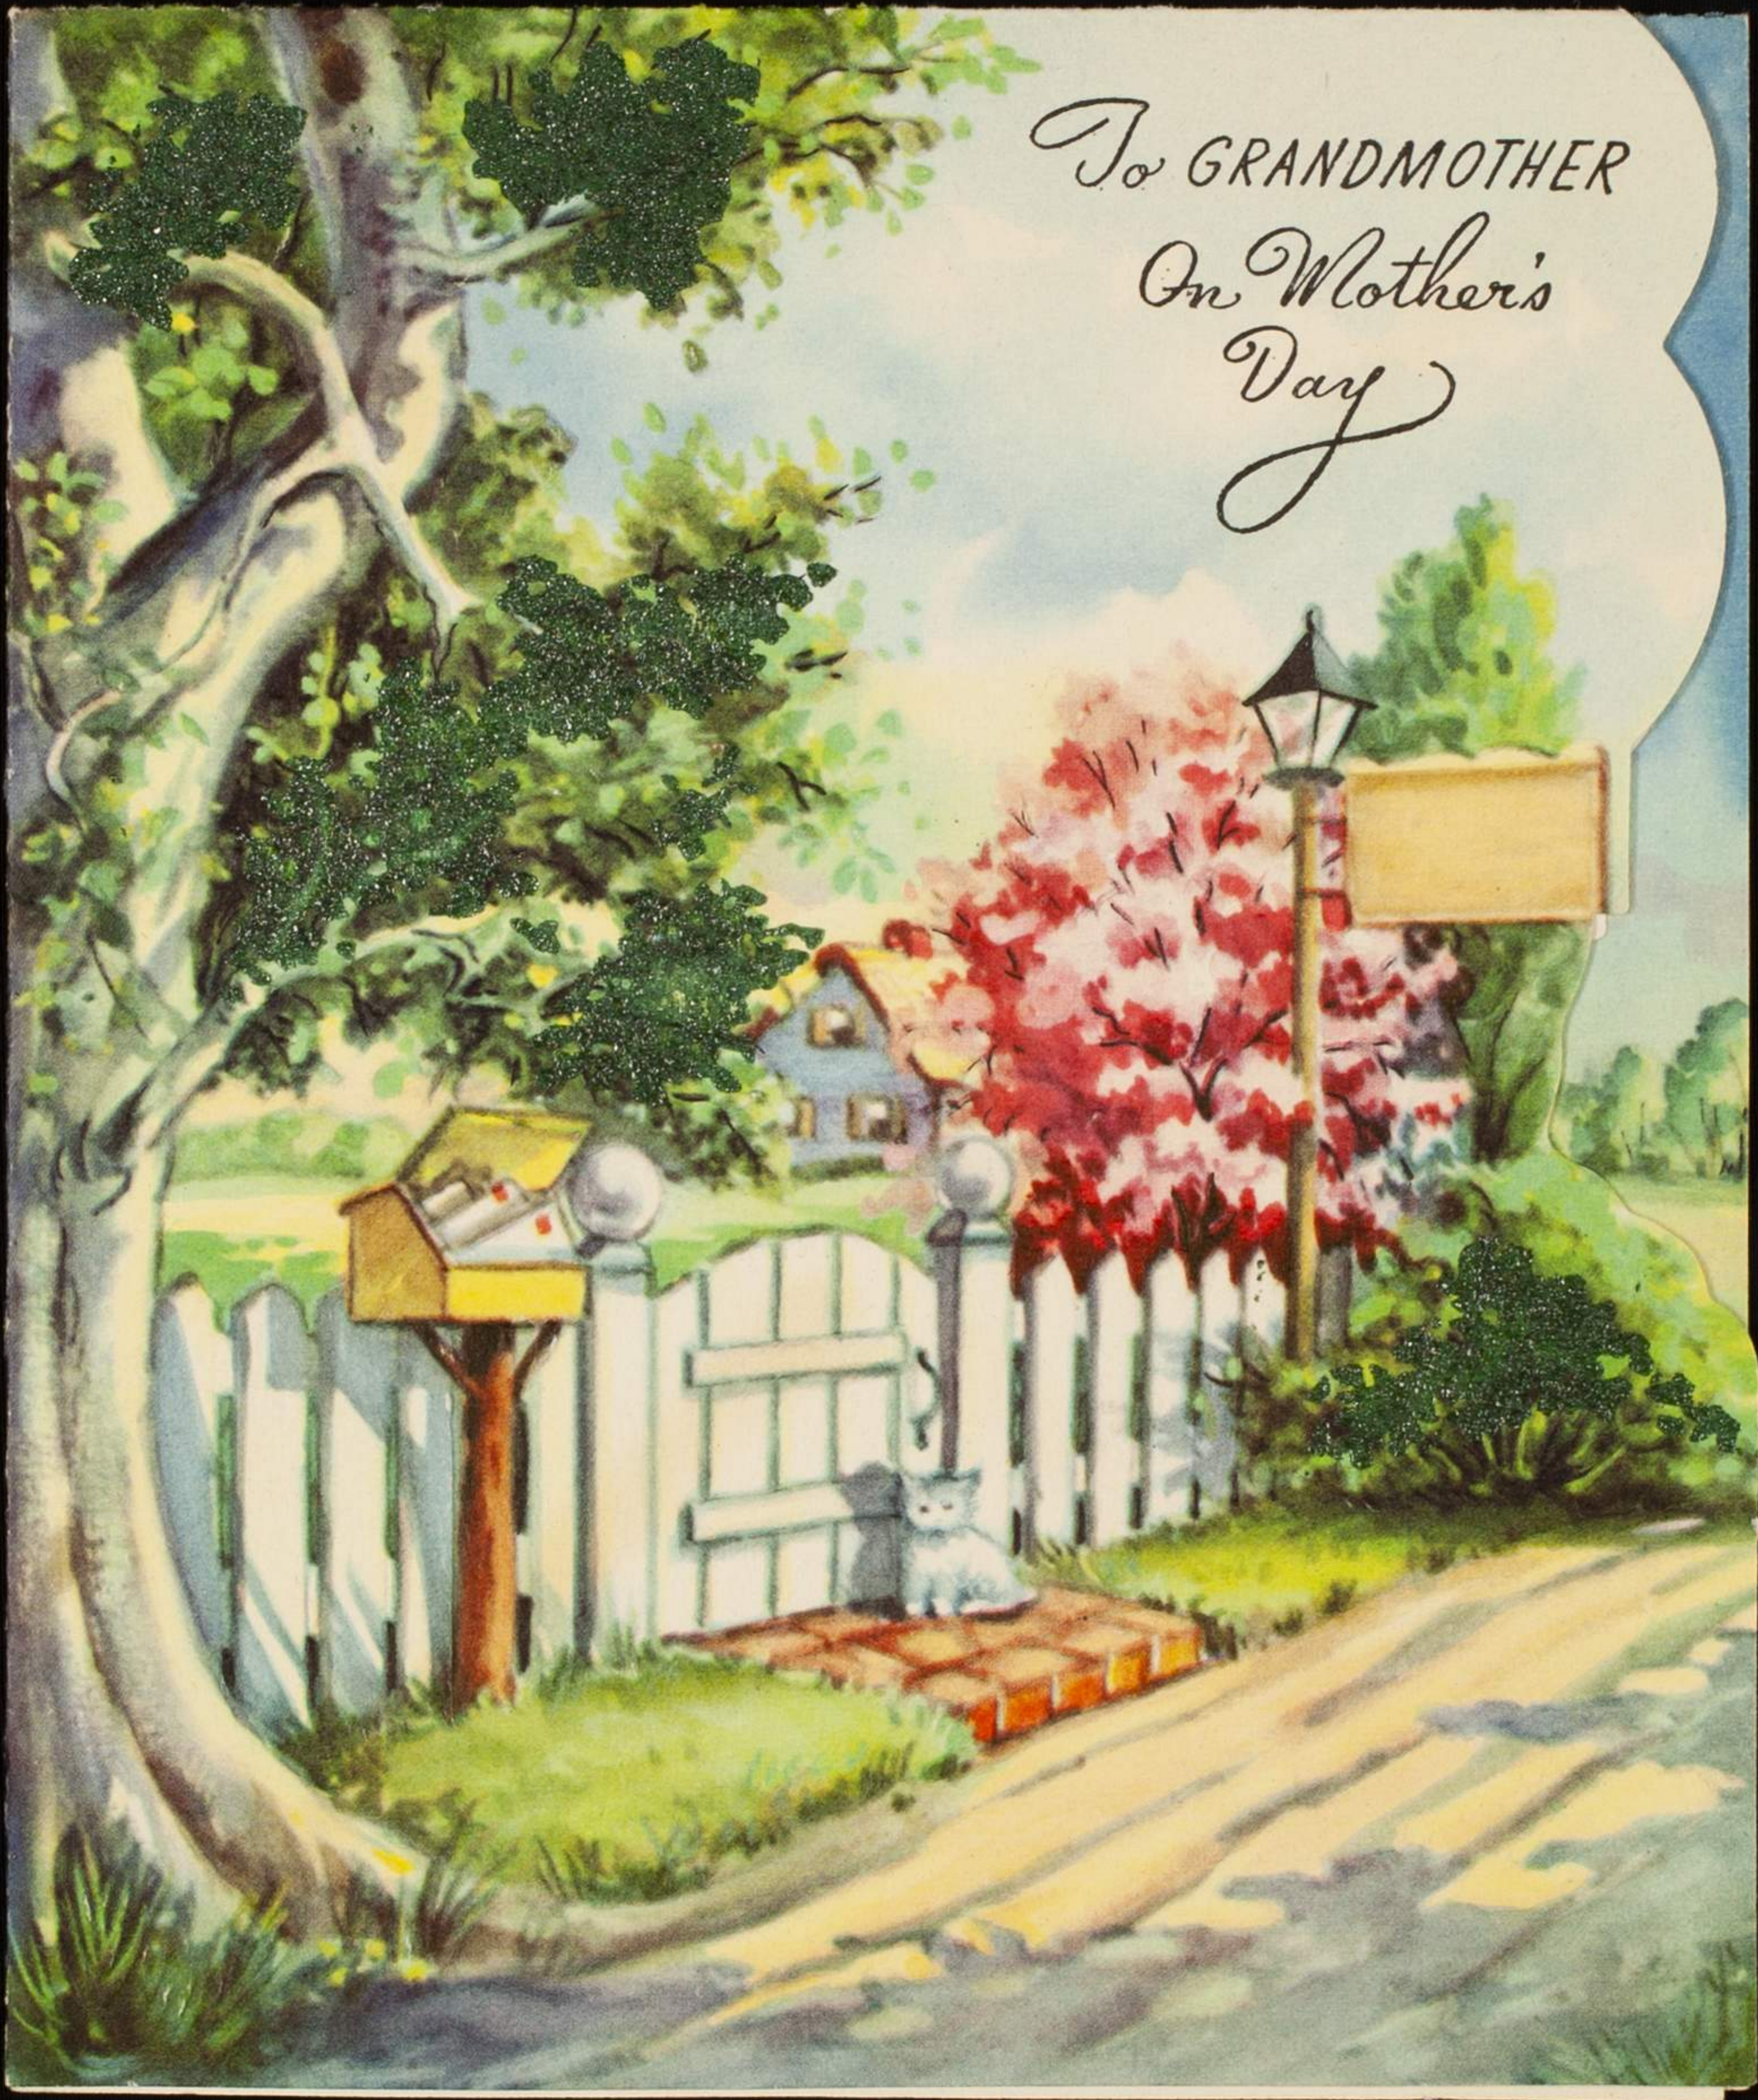

5/7/79

Dear Angela:

Sorry to be so slow in mailing you the pictures, your mother peck them out when they were here, nearly all of them are some of your relatives, will explain the same to you when you come out this summer, there is one of them have Burton's father on it. but you can't hardly see him, he seems to be to close behind Verna I think.

I have the names on each picture, I am sure you will know the names, if you don't recognize them for most were taken when they were much younger. The Country is really looking beautiful everything is a pretty <sup>and</sup> green. Uncle Harry & I are doing fairly well for us, trust all is well with you & family. Love to all of you Bye! Bye Your aunt
