

**BRAZOS
PRODUCTIONS**

To Whom it May Concern,

On behalf of all of us here at Brazos Productions, we would like to thank you again for your contributions to our project. At long last, we have the air dates for the shows! They are as follows:

"Adventures of the Old West"
The Disney Channel
9 p.m. Eastern and Pacific Times

Episode Title

"Great Chiefs at the Crossroads"	Tuesday, February 1
"The Fortyniners and the California Gold Rush"	Tuesday, February 8
"Scouts in the Wilderness"	Tuesday, February 15
"Frontier Justice"	Tuesday, February 22
"Pioneers and the Promised Land"	Tuesday, March 1
"Texas Cowboys and the Trail Drives"	Tuesday, March 8

We are hoping to produce more than these six episodes of "Adventures of the Old West." If you are pleased with the way the shows turned out, we'd like to ask you take a few minutes and write down what you like about them. Then, if you would, please fax or mail your comments to Doug Zwick, at the Disney Channel, and to us as well.

Your comments could be used by the Disney people to help promote the series, and could also help persuade them to continue the series and we'd like to hear your feedback on the final product. Please mail (or fax) your comments to:
