

Dear Angela,

Yes, we survived the earthquake. And yes, **Jesse Sublett, Lois Richwine, Dashiell Sublett, and Marlowe and Willie** (cats) are going to be living in Texas from now on. There's no regrets, no looking back. We're pulling out of the State from Hell on Friday January 28th, and will be unpacking our belongings by February 1, 1994, at this address:

- 1808A Fairlawn Lane
- Austin, Texas 78704
- (512)442-6962

Hope all is well with you and yours. Hope to see you or speak to you soon.

Cheers,

Jesse

P.S. Hope you like the way the show turned out.
