MEMO

TO: Nicodemus Historical Society, NPCA Member
FROM: Tom Kiernan, NPCA President

NPCA is America's only private organization dedicated solely to protecting, preserving, and enhancing the U.S. National Park System. Because of you, and 400,000 people like you, the parks stand a chance of being around for our children and grandchildren. But we can't do it without you! The threats against the parks are never-ending—please send your generous renewal contribution today!

I also want to help the parks everyday! I have read the enclosed Top 10 list and pledge to do my part for the parks! I have checked the Pledge for Parks box above.
