So mother is the only one
left of her family on
both sides only for a
cousin in Seattle Wash.
Her little boy has the
mumps. Rest of family
well. Oh! Vernon high
blood pressure got him
again. Stella's family
fine only for colds. Bud
has bought him 30 acres
of ground with a 3 room
house on it. Oh! I am
sending \$2.00 for wreath
or flowers for Al's grave
for Janet & myself. Hope
the winter did not leave
you all too indisposed
