Dear Angela:

I was happy to recieve your newsletter recently. I have been meaning to write a lot sooner but I've been on the road a lot lately. My tour company has had a few set backs, but we are in the process of springboarding back up. My wife and I have started a traveling African American History Museum, and I would like to know if you would be interested in having us bring it to Nicodemus for next year's Emmancipation Celebration? If you would like to reach me by phone, call me at my home number: (317)545-6165 or just write. Well, I have to go and run some errands, so until I hear from you again take care and tell Barry that I said hello. Enclosed you will find a check for my 1996 Dues.

Sincerely,

*Kenneth Hordge*

P.S. Tell Barry that Jeff and I want to Know how the movie deal came out.
