

ACKNOWLEDGEMENTS

Dates from the timeline and the "Historical Background" were based on information from The Timetables of History by Bernard Grun (*based on Werner Stein's Kulturfahrplan*), the playwright's notes found in Dramatists Play Service's script for Flyin' West, and various anthologies and essays on Reconstruction.

Descriptions of the story and the story synopsis were based on information from Dramatists Play Service's script for Flyin' West.

Information on the actual townsite and settling of Nicodemus was extracted from Promised Land on the Solomon: Black Settlement at Nicodemus, Kansas. This was published by the Department of Interior Service in Denver Colorado, and the National Park Service, Rocky Mountain Region, in Washington, 1986.
