Dear: *Loretta Buckner*

As the Program Chair for this year's Homecoming (July 26-28) I am requesting that, in keeping with the theme "Unity in the Community", you be on the program to talk about what Nicodemus means to you. The program will be a presentation of individuals making 3-5 minute excerpts about their experiences in Nicodemus. We want to share with all of those that will be in attendance what Nicodemus means to us personally, and/or recount experiences that you have had here that has made a difference in your life.

Please let me know as soon as possible if you will attend and present.

Yes  No

Thank You - Hope to see you there!
