

The parade and cars came up. Debra said she had information regarding a vendor and cars for the parade and would be willing to turn it over to K. Thomas and F. Switzer.

Debra mentioned vendors and Kim said, she did not want to charge a fee, and told Debra that to change the application not to read that N.H.C. is requesting a donation. Angela brought up offering a donation to N.H.C. and everyone paying a flat fee of \$25.00. However, she stated waiving the donation for descendants. Freddie seconded the motion, while Kim Chairperson stated that she felt more discussion was need. Then, Freddie decided that everyone should give a donation and it should be stated how much? Debra,asked Anglea to restate her motion. The motion was restated by Angela and she moved to request a donation from all the vendors including descendants and seconded by Freddie, however,no flat fee was included.

Angela gave her persective on limiting the vending to folks on the town-site and descendants who return. Debra said, we need to make sure we have plenty of food accomodations and beverages for people during the heat. People will be coming from all over and last year we had only one vendor and people were complaining and disappointed.

Angela said, we don't need anyone else selling black product, because the dollars go out of the community and people can get those things out of the city. And, folks need to buy from N.H.S. and what we have here. Debra said, we are asking for donations from vendors so we receive something. Several opinions were passed round, and the committee agreed to encourage descendants like Leatrice Napue, and other's to set up a booth and ask them. Debra said, that there are other ways we could handle vending besides having limited foods and no arts and crafts. It's not fair when vending is limited and prices too.

Wanda had said, that vendor's have to pay \$35.00 for electric outlet. She said last year know one else in the community wanted to cook, sell food or anything else. Kim Thomas said, that Debra and Freddie are in charge of vending.
