

STATUS REPORT – FOR PROGRAM COMMITTEE

We met and discuss who should be invited as guest speaker and others constituents for Homecoming and this is who we decided on and need your approval and or input: Guest Speaker – Senator Dole, Speaker – present Regional Director, - Bob Stanton (former National Park Director), and possibly Bob De Forrest (responsible for National Historic Landmark Status). Others that would be invited Governor, Senator Brownback, Senator Pat Roberts, Representative Jerry Moran. We also discussed inviting Danny Glover since he did the message for the TIS.
