NICODEMUS BIKE TOUR -- JULY 26-28

WHERE THE HECK IS NICODEMUS???? Join us the last weekend in July on this historic bike tour. We will leave Kansas City Friday afternoon for a four hour drive to Nicodemus, KS.

We will travel back 113 years in history when about 300 ex-slaves from post Civil War South established Nicodemus. Today, over five generations have survived to make Nicodemus the only all Black community in the U.S. today. It is designated as a National Historic Landmark.

We have been invited to participate in the town's annual reunion. Also, we will be a part of a one hour documentary to be filmed that weekend.

Saturday's bicycle tour of approximately 62 miles will depart Nicodemus and travel through Stockton, Plainville, Zurich, Palco, Damar, and return to Nicodemus. Each town will provide something special for us.

Boarding arrangements include a choice of motels, bed and breakfast, or camping. Space will be limited to about 30 cyclists. Contact Steve Katz (816-426-1001) for additional details and reservations by no later than June 15.
