Dear Friend

It was very much of a  
pleasure to rec. your letter.  
I had thought that you'd  
write, but I understand  
the circumstances. I got  
a word and was ~~very~~ sorry  
but of course couldn't  
do anything to help. I hope  
she is doing fine by now.  
I sent her a card to Salina  
also one to Hill City.  
Here's hoping you are  
having pleasant weather
