My Dear One
We were glad to hear from
you I trust this will find
you feeling ok. We are
still able to navigate. I
trust Blanch is progressing
much better ^{and} soon will be
home. doctor out there it seem
to be better than the time I live
out ^{there} doctor have improved on
all thier Medical treatment
These many happening all over
the world Storm Airplane.
people just take thier own
life some people are tired
living you take care your
self you will have to cook &
keep house ^{and} take care the sick
how is Aunt Emma I have
not heard. sorry William passed
