indeed our Moses. Although Reverend Williams left Nicodemus some forty years ago, he has never left Nicodemus in spirit. God had a mission for him and while he was in California he pastored his own church and developed in spiritual wisdom. God is calling him now, like Moses, to help guide and usher in this new era. God has selected one of Nicodemus' own. We pledge our support to this great endeavor, and may God grant you strength, wisdom and perseverance that will be needed in the years ahead.

We also want to extend a warm welcome back to Ernestine Van DuVall, one of Nicodemus' most famous 20th Century entrepreneurs. Ernestine's famous bar-b-que has brought her fame not only in the state of Kansas, but across the Nation. She can be seen in the pages of magazines such as US, National Geographic, and many more, as well as a host of newspapers. She is a great inspiration to all of us. We hope that with her return she will continue her efforts in making Nicodemus a place to be proud of. Welcome back!

Nicodemus Historical News Review

The Master Has Already Written the Script

Vol 1 No. 1

A Nicodemus Historical Society Publication

JUNE 1989

"WE'VE ONLY JUST BEGUN"

This is the first time that Nicodemus has had it's own newsletter-newspaper since the Nicodemus Cyclone published it's last volume in the early 1900's.

We are currently establishing the Nicodemus Historical Society and are with hopes that we will be incorporated as a non-profit organization within the month. Twilla (Moore)Wilson, Gil Alexander, Vickie (Sayers) Jones, Phil Switzer and Angela Bates met individually in 1986 to establish this society, however, it was put on the back burner until now. Our work was not in vain. With the establishment of the Society we will be using the Newsletter as a communication vehicle for our members and interested parties.

Our motto for this paper will be "The Master Has Already Written The Script". This motto is based on a belief among Nicodemus descendants that God has a special plan for Nicodemus. It is our committment to this belief that we are doing our part in acting out what is required of us to usher Nicodemus into a new era.

As Nicodemus gives birth to a new era, I believe it will be the spiritual focal point for blacks, as well as for all who are seeking spiritual strength and revitalization of family ties.

This era has just begun, but the foundation was laid by many who may not know of their part. We can especially thank Buddy and Lois Alexander, Veryl Switzer and a host of others before them who have contributed greatly by working with the Government to re-establish Nicodemus and help put it on the map, as well as paving the way for us to follow.

We are all especially grateful for the return of and commitment to the spiritual redevelopment and economic revitalization of Nicodemus - *Welcome Reverend Chester Williams*, you are
