

indeed our Moses. Although Reverend Williams left Nicodemus some forty years ago, he has never left Nicodemus in spirit. God had a mission for him and while he was in California he pastored his own church and developed in spiritual wisdom. God is calling him now, like Moses, to help guide and usher in this new era. God has selected one of Nicodemus' own. We pledge our support to this great endeavor, and may God grant you strength, wisdom and perseverance that will be needed in the years ahead.

We also want to extend a warm welcome back to Ernestine Van DuVall, one of Nicodemus' most famous 20th Century entrepreneurs. Ernestine's famous bar-b-que has brought her fame not only in the state of Kansas, but across the Nation. She can be seen in the pages of magazines such as US, National Geographic, and many more, as well as a host of newspapers. She is a great inspiration to all of us. We hope that with her return she will continue her efforts in making Nicodemus a place to be proud of. Welcome back!
